ASTORIA, OREGON:

SUNDAY.....APRIL 8, 1883

General Sherman's Last Visit.

I asked General Sherman the other evening what he intended doing this coming summer. He said he was going to the far west for the last time as the general of the army. He is going late in the spring or early in the summer, and will be back in time to attend the notable army meeting here in October. General Sherman has always had a partial side for the western posts and the officers and soldiers from the frontier, and he has long made it a practice to go to the farthest post once a year, to show the boys they are not forgotten. On this trip he will devote himself particularly to Montana, Oregon and California. Much of the distance will be made on horseback, and the general will also have a cavalry escort. He will be accompanied by only two members of his staff, Colonels Tourtellotte and Bacon, and but two of his particular friends will go as his guests—namely, Chief Justice Waite and Chief Justice Grey of the supreme court. I have no doubt General Sherman has had to decline the offer of at least a score of intimate friends, any one of whom would gladly have paid the expense of the whole trip. But the trip is not one of pleasure alone—there is a good deal of hard work in it for the general, and he does not feel that he ought to incumber himself with a large party. The General is now nearly sixty-four years of age, and yet I venture to say that he will stand the fatigue of the trip better than any man of his party, not excepting his two young aids.—*Washington Corr. Philadelphia Press.*

Hope for Drunkards.

My husband had drunken habits he could not overcome until Parker's Ginger Tonic took away his thirst for stimulants, restored his energy of mind and gave him strength to attend to business.—Cincinnati Lady.

The Secret

of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it—no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health—in no other way can lasting benefit be obtained.

75 Dearborn Ave., Chicago, Nov. 7.
I have been a great sufferer from a very weak stomach, heartburn, and dyspepsia in its worst form. Nearly everything I ate gave me distress, and I could eat but little. I have tried everything recommended, have taken the prescriptions of a dozen physicians, but got no relief until I took Brown's Iron Bitters. I feel none of the old troubles, and am a new man. I am getting much stronger, and feel first-rate. I am a railroad engineer, and now make my trips regularly. I can not say too much in praise of your wonderful medicine. D. C. MACK.

BROWN'S IRON BITTERS does not contain whiskey or alcohol, and will not blacken the teeth, or cause headache and constipation. It will cure dyspepsia, indigestion, heartburn, sleeplessness, dizziness, nervous debility, weakness, &c.

Use only Brown's Iron Bitters made by Brown Chemical Co., Baltimore. Crossed red lines and trade-mark on wrapper.

SECRET!

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS.

SALICYLICA is known as a commonsense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases which are the result of the poisoning of the blood with Uric Acid

SALICYLICA works with marvelous effect on this acid and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 95 per cent cures in three days.
