The Secret

of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it—no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health—in no other way can lasting benefit be obtained.

57 Dearborn Ave., Chicago, Nov. 3. I have been a great sufferer from every weakness, heartburn, and dyspepsia in its worst form.

BROWN'S IRON BITTERS does not contain whiskey or alcohol, and will not blacken the teeth, or cause headache and constipation.

Use only Brown's Iron Bitters made by Dr. J. C. Williams, Chemist, Lowell, Mass. Crossed red lines and trade-mark on wrapper.
