owe our lives to SHILOH'S CONSUMPTION
CURE." Sold by W. E. Dement.

SEEK

health and avoid sickness.
Instead of feeling tired and
worn out, instead of aches
and pains, wouldn't you
rather feel fresh and strong?

You can continue feeling
miserable and good for no-
thing, and no one but your-
self can find fault, but if you
are tired of that kind of life,
you can change it if you
choose.

How? By getting one
bottle of BROWN'S IRON
BITTERS, and taking it regularly
according to directions.

Manfield, Ohio, Nov. 25, 1882.
Gentlemen:—I have suffered with
pain in my side and back, and great
soreness on my breast, with shoot-
ing pains all through my body, at-
tended with great weakness, depres-
sion of spirits, and loss of appe-
tite. I have taken several different
medicines, and was treated by prom-
inent physicians for my liver, kid-
neys, and spleen, but I got no relief.
I thought I would try Brown's Iron
Bitters, I have now taken one bottle
and a half and am about well—pain
in side and back all gone—soreness
all out of my breast, and I have a
good appetite, and am gaining in
strength and flesh. It can justly be
called the king of medicines.
JOHN K. ALLENDER.

BROWN'S IRON BITTERS is
composed of Iron in soluble
form; Cinchona the great
tonic, together with other
standard remedies, making
a remarkable non-alcoholic
tonic, which will cure Dys-
pepsia, Indigestion, Malaria,
Weakness, and relieve all
Lung and Kidney diseases.

A Common-sense Remedy.
Salicylic Acid.
No more Rheumatism,
Gout or Neuralgia.
Immediate Relief Warranted.
Permanent Cure Guaranteed.

Five years established and never known to
fail in a single case, acute or chronic. Refer
to all prominent physicians and druggists for
the standard of Salicylic Acid.

SECRET!
THE ONLY DISSOLVER OF THE
POISONOUS URIC ACID WHICH
EXISTS IN THE BLOOD OF RHEU-
MATIC AND GOUTY PATIENTS.
SALICYLIC ACID is known as a com-
mon-sense remedy, because it strikes directly
at the cause of Rheumatism, Gout and Neu-
ralgia, while so many so-called specific and
supposed panaceas only treat locally the
effects.

It has been conceded by eminent scientists
that outward applications, such as rubbing
with oils, ointments, liniments, and soothing
physicians of America and Europe,
which are the result of the poisoning of the
blood with Uric Acid.

SALICYLIC ACID works with marvelous
effect on this acid and so removes the disor-
der. It is now exclusively used by all cele-
brated physicians of America and Europe.
Highest Medical Academy of Paris reports
96 per cent cures in three days.

REMEMBER
that SALICYLIC ACID is a certain cure for
Rheumatism, Gout and Neuralgia.
The most inflexible pains are subdued almost
instantly.
Give it a trial. Relief guaranteed or money
refunded.
Thousands of testimonials sent on applica-
tion.

A Box, 6 Boxes for \$5.

as "just as good." Insist on the genuine

Following Them.
TOMBSTONE, April 17.—The
following report of the movements
of the rangers has been received:
"Saturday last a fresh Indian trail,
running east, was struck on the
south side of the San Jose moun-
tains, in Sonora. The trail was
followed to the east end of the
San Jose, when it swung north to
the Mule mountains. Shortly
after the turn in the trail a band
of Mexicans were met, who re-
ported the killing of a countryman
by an Apache, near Lioneitos,
last Thursday, and that 15 Indi-
ans had passed through the Mule
mountains the day before, going
north. This band is no doubt the
same that was seen in the Conenas
the day before. The trail was
getting hotter every hour, and
heads straight for San Carlos.
Last night a big fire was seen at
the foot of Swishelms; supposed
to be the work of another band of
savages. The trail will be followed
to its termination.

Scotland
Scotland with the natural draw-
backs of an unpropitious climate,
unfruitful soil, rugged and profit-
less mountains, holds her own in
the competitions of the world in a
perfectly wonderful manner—tak-
ing as its direct opposite the fa-
vored clime of Mexico, with its
silver mines its eternal springs, the
sunshine and its vegetation, we
find that the rugged land of the
north sends to different nations
more productions, both of its soil
and its arts, than the favored ter-
ritory of the south, with all its vast
proportions. Scotland helps to
feed London from her flocks; to
her sons the world is indebted for
the most powerful and obedient
forces in the practical application
of steam, and at this day, while
Great Britain builds a larger num-
ber of iron steamships than all the
other nations of Europe put to-
gether, half of the work is done
by the little country of Scotland.

How an Artist Treated His Visitor.
To the Editor of the Salem
(Mass.) Register:—I would have
accepted your kind invitation to
visit you in your new quarters
with pleasure before this, had not
my old enemy, Mr. Rheumatism,
pounced on me so suddenly. He
arrived last Friday, and without
stopping to send up his card rushed
in and grasped me by the hand
with such a grip that in a few
hours my hand and wrist were so
badly swollen and painful that I
felt as though one of Mr. Hatch's
coal teams had run over me. Mr.
Rheumatism has been a constant
visitor of mine for several years;
always swells and puts on a great
many airs and makes himself at
home, devouring my substance
and leaving me poor in flesh and
pocket. Last winter he came and
staid two months. I then made
up my mind that the next time he
came I would change his diet, as
he always gobbled down every-
thing set before him. I was some-
what at a loss what to feed him
with, but finally concluded to give
him three square meals a day of
St. Jacobs Oil—morning, noon and
night. This fare he is disgusted
with, and is packing up his trunk
and will leave by to-morrow or
next day; says he cannot stop any
longer as he has pressing business
elsewhere. He is a treacherous
fellow, and I have no doubt he in-
tends visiting some of our Salem
friends; if he does just give him
the same fare that I did and he
won't stop long. J. S. LEFAYOUR.
