health and avoid sickness. Instead of feeling tired and worn out, instead of aches and pains, wouldn't -ou rather feel fresh and st. ong?

You can continue feeling miserable and good for nothing, and no one but yourself can find fault, but if you are tired of that kind of life, you can change it if you choose.

How? By getting one bottle of Brown' Iron Bir-TERS, and taking it regularly according to directions.

> Mansfield, Ohio, Nov. 26, 1881.
>
> Gentlemen: —I have inferred with pain in my side and hat a, and great soreness on my hreast, with shooting pains all through my body, attended with great weakness, depression of spirits, and loss of apperite. I have taken several different medicines, and was treated by prominent physicians for my liver, kidneys, and spiem, but I got no relief. I thought I would try Brown's Iron Bitters; I have now taken one bottle and a half and am about well—pain in side and back all gone—soreness all out of my breast, and I have a good appetite. —I am gaining in strength and fiesh. It can justly be called the king of medicines.

> Jour K. Allender. Mansfeld, Ohio, Nov. 26, 1881.

BROWN'S IRON BITTERS is composed of Iron in soluble form; Cinchona the great tonic, together with other standard remedies, making a remarkable non-alcoholic tonic, which will cure Dyspepsia, Indigestion, Malaria, Weakness, and relieve all Lung and Kidney diseases.

A Common-sense Remedy. SalicylicA

Cout or Neuralgia. Immediate Relief Warranted.

Permanent Cure Guaranteed. Fire years established and never known to fail in a single case, acute or chronic. Refer to all prominent physicians and druggists for the standing of Salleylica.

SECRET!

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATTENTS. SALICYLICA is known as a common-sense remedy, because it strikes directly at the cause of the unatism, Gout and Neural-gia, while so many so-called specifics and panages only treat locally the It has been conceded by eminent scientists that outward applications, such as rabbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases which are the result of the poisoning of the

shood with Uric Acid
SALICYLICA works with marvelous effect on this acid and so removes the disor-der. It is now exclusively used by all cele-brated physicians of America and Europe, Highest Medical Academy of Paris reports 25 per cent cures in three days.

Waiting for an Order

A Chicago drummer having hired a horse and taken a ride of ten miles through a terrible highway in Wisconsin to work up a trade with a new dealer, reached the four corners to find the store closed. The proprietor was outside of the door with an ax, and his wife on the inside with an old shotgun. "I represent the wholesale grocery firm of Sugar, Starch & Co.," said the traveler as he rode

"Yes," replied the merchant, as he leaned on his ax.

"And I would like to show you some samples and take your or-

"Are you in a hurry?" "Well, no."

"Then you had better hitch to the fence over there, and wait around for a spell."

"What's the row here?" "Nothing very much. The old woman's inside and I'm out here. It's been that way for the last three hours, but the climax is coming. She ain't got more than enough powder for one more shot, and as soon as she fires that we'll find out who runs this business. If I do, I'll give you an order; if she does, you had better get ready to skip, for she's determined to go out of the mercantile business and make a trip to Europe with a lightning-rod man."

It is likely the coronation of the czar will be postponed till the 10th of June. The latest proclamation of the Nihilists merely refers to the ezar in a scornful way, saying he is beneath criticism. Well-informed persons in Russia express the opinion that no danger is to be feared by the czar at the coronation, with the exception, perhaps, of the acts of isolated parties, and even that is unlikely.
