SUNDAY MAY 6, 1883 -Capt. J. C. White is at Santa

Barbara, Cal. -Leo's Ideal Pleasure Party will appear at Occidental Hall this even-

-The Columbia arrived in yes-The State sails for S. F. toterday.

-The One and Kate d Anna went to sea yesterday, both loaded to their fullest capacity.

-There will be a total eclipse of the

visible to this coust Hall this evening on "Evolution, or

man and his relations." -The Chinese graders near Columbia City are blasting a roadway through the solid cliffs above the

-Regular monthly meeting of the vestry of Grace church will be held on Monday evening, May 7th, at 7:30 P. M., in the vestry room,

-The regular Tillamook packet A. B. Fields will leave Main street next Saturday morning, the 12th inst, chinery used in the east cannot be

-The Ryevale begins discharging at Flavel's dock. Of her 1,200 tons, all of the tin plate,720 tons will be discharged The remainder consists of crates, sheet iron and cement

-Chas. H. Williams & Co., are in the real estate business and announce the fact; they are located opposite THE ASTORIAN office and are ready for business to-morrow morning

-The Seattle Herald is authority for the statement that the citizens of Whatcom learning that a certain indi- ter street near Kinney's cannery was vidual was going to start a paper in destroyed by fire, the house and conthat burg, offered him \$500 if he would tents being a total loss. Mrs. Parker

-The Lombardian is taken at 55s for U. K., or continent and will load flour. It is not probable that the experiment of shipping flour and salmon in the same vessel will be repeated

was picked up in the river yesterday tunately the fire was prevented from afternoon a short distance below spreading to adjoining property. As Tongue Point, and brought to the good luck would have it there was not coroner's for identification. It is be- a breath of wind stirring; we fear, lieved to be the body of Peter George had there been a slight breeze there

-Ex- Mayor D. C. Ireland, former editor and proprietor of THE ASTORI-AN, and Frank Baltes, his old-time companies in getting to the fire. That foreman, were among our callers amounts to just this. Our departyesterday. Ireland says he is amazed ment is made up of men who work at the growth of the city and is coming down here among his old friends they are pretty apt to be sound whenever he can get away.

cisco last Friday for the scene of the Eureka's disaster. They have a complete outfit and will either raise the good work. It seems to us that that title, for there is no preparation which diver accompanies the party. The sion yesterday morning was "I didn't Idaho which is due here to-day will hear the alarm." The bell is jammed bring a supplementary force of ship in the rear of the city hall and surcarpenters. She will take on a large rounded by high buildings on three quantity of cannery supplies at this sides; people that live in the vicinity port.

know how he came to be so dubbed. Printing used to be called the Black Art, and the boys who assisted the pressmen were called the imps. Acnot flesh and blood, may come up and gramme to-night. pinch him." The people were satisfied, and no longer molested the negro

Artful Chmese

Since the passage of the anti-Chinese restriction act, says the Port Townsend Argus, our Mongolian neighbors have been more anxious than ever to enjoy the privilege of nestling under Uncle Sam's wing. The boundary line between British Columbia and Washington Territory fornishes an inviting field for evasion of nishes an inviting field for evasion of Regular monthly meeting Monday the law. It seems that large numbers evening, May 7th, at 7:20 o'clock. Evof Chinamen are congregating in and about Port Moody and New West-minster from which points their of L. E. Sello, Sec'y. minster, from which points their efforts to sneak across the line are unceasing. We are creditably informed that they have offered the owner of a certain fishing sloop as high as a hundred dollars to smuggle them across. A few have undoubtedly secured passage in Indian canoes already, as their mysterious appearance upon the American side could not be explained a specialty. New goods constanton other grounds unless they dropped | ly arriving. from the clouds-and Mongohans don't usually arrive by that route.

Brick Making

The beginning of a new era in Asquires an admixture of nearly an equal -Mist. quantity of sand to keep the brick from cracking while in the process of drying. The sand, of which there is -The Washington Territory board an unlimited quantity adjacent to the of pilot commissioners will meet at IIwaco next Saturday.

deposits of clay, also has the effects of Simpson, S F; N Ingersoll, J Burke, producing a fine blood red color to the heids about the best barred When the F W Baltes, D C Ireland, G E Caukthe brick when burned. When the sun at two o'clock this afternoon-not sible to this coast.
