Oh, My Back!

That's a common expression and has a world of meaning.

The singular thing about it is, that in the back it is occasioned by so many things.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention.

Wm. P. Marshall, of Logansport, Indiana, writes: "My wife has for many years been troubled from pain in her back

and general debility incident to her sex.

She has taken one bottle of Brown's Iron Bitters,

and I can truly say that she has been so much benefited

that she has discontinued the use of any other medicine

leading physicians and clergymen use and recommend

It has cured others suffering as you are, and it will cure you.
