Failing!

That is what a great many people are doing. They don't know just what the matter is, but they have a combination of pains and aches, and each month they grow worse.

The only sure remedy yet found is Brown's Iron Bitters, and this by rapid and thorough assimilation with the blood purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why BROWN'S IRON BITTERS will cure kidney and liver diseases, consumption, rheumatism, neuralgia, dyspepsia, malaria, intermittent fevers, &c.

BY MAIL AND TELEGRAPH.

NASHVILLE, June 1.—Col Buckner H. Payne, better known in the south as "Ariel," died in the Davidson county asylum for the poor last night, aged 84. He was at one time considered the greatest logician in the south and wrote a book in which he argued that a negro was an inferior being and had no soul.

A Great Man Coming. SAN FRANCISCO, June 1.—Senator Edmunds and family accompanied by Miss Arthur, daughter of President Arthur, will leave for Portland by the Columbia, sailing Friday.

Seattle Antics. NEW YORK, June 1.—The proposition made by Henry Villard of the Northern Pacific to build a line from Seattle, Washington territory, to the Green river coal fields, in consideration of a subsidy of \$150,000 has been accepted.

New York, June 1.—Pat Rooney, the Irish comedian, while in a fight yesterday in a third avenue saloon, was robbed of his \$500 gold watch.

Postponed Annihilation. LONDON, June 1.—The Pall Mall Gazette publishes a letter dated May 28th from the nihilist, Stephanie, author of "Under Ground in Russia," in which the writer says: "The czar will not be molested at the coronation, because the system of attacks to create terror has been replaced by plans for a coup d'etat and an attempt at revolt."

A Part Bowie, A. T., Bulletin special says: Crook, after driving the hostiles to Chibahua slope, was seeking the Apache camps where the squaws are. It is believed that the Apaches have divided and that Crook is trying to force them out of the mountains to the Sonora side, and there Crook is to join his troops to the Mexican soldiers under Garcia.

We have lived to see the old adage "Two of a trade seldom agree," satirically disproved. St. Jacobs Oil can no longer be considered the bone of contention among the medical fraternity, since druggists whose veracity is not to be doubted, and eminent physicians like A. A. Waite, of Pittsfield, Mass., give and corroborate their testimony cheerfully and without solicitation.—Providence (R. I.) Courier.

Invigorating Food. For the brain and nerve is what we need in these days of rush and worry. Parker's Ginger Tonic restores the vital energies and brings good health and joyous spirits quicker than anything you can use.—Trinidad.

Nerves, brain, and muscles gain strength and the power of endurance by using Brown's Iron Bitters.
