Failing!

That is what a great many people are doing. They don't know just what is the matter, but they have a combination of pains and aches, and each month they grow worse.

The only sure remedy yet found is BROWN'S IRON BITTERS, and this by rapid and thorough assimilation with the blood purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and strength.

This is why BROWN'S IRON BITTERS will cure kidney and liver diseases, consumption, rheumatism, neuralgia, dyspepsia, malaria, intermittent fevers, &c.

Mr. Simon Blanchard, a well-known citizen of Hayesville, Meade county, Kentucky, says: "My wife had been sick for a long time, and her constitution was all broken down and she was unable to work. She was advised to use Brown's Iron Bitters, and found it to work like a charm. We would not now be without it for any consideration. We consider it the best tonic in the world."

BROWN'S IRON BITTERS is *not* a drink and does not contain whiskey. It is the only preparation of Iron that causes no injurious effects. Get the genuine. Don't be imposed on by imitations.

The Baltimore *Sun* has this information: When General Butler was last here he expressed the hope that Harvard College would decline to confer the degree of LL. D. upon him. He said it would be worth from 10,000 to 15,000 votes. From what he said his friends here have no doubt that he intends to run again for governor of Massachusetts. He said he had no doubt whatever of re-election. If re-elected, he has determined to contest for the Democratic nomination for the presidency, and it is entirely understood among his friends that he is to have the support of John Kelly as against every one else. General Butler has no fears, or says he has none, that he will not receive the solid Democratic vote of the south in the event of his nomination, and calculates that his strength with the laboring men will give him the vote of several northern states which with any other candidate could not possibly enter into Democratic calculations.

The results of stripping a country of its trees have been exemplified in the French Alps, where the forests were ruthlessly destroyed. Good arable land in the valley is being inundated with sand and gravel, as the torrents sweep down the slopes unhindered, carrying great quantities of detritus and cutting great gullies and ravines into the softer soil formations The farmers are forced to dam up the smaller streams in numerous places in order to compel the waters to drop their sediment in their channels instead of upon the valuable soil. The folly of destroying the forests is at last fully appreciated, and now the farmers are planting the bare mountain sides with new trees.

A Canadian Speaks.

When anything worth saying is spoken in that terse and pointed way that bears the impress of honest conviction, we like to have people know the nature of the communication. Of such a nature is the following from Mr. W. F. Haist, Campden P. O., Lincoln Co., Ontario. Mr. Haist says: With great joy over my restored health, I would write a few lines concerning that wonderful remedy, St. Jacobs Oil. For the last six years I have been using various medicines internally and externally, but nothing would help me. Finally I procured a bottle of St. Jacobs Oil, which cured me after a few applications. My mother-in-law, who has also been a great sufferer from rheumatism, was also instantly relieved by the use of the Great German Remedy. St. Jacobs Oil is a great blessing to suffering humanity, and I shall do all in my power to spread its merits.
