## Parnell's Reply to the Pope

A Pable for the Brave A cable special from London A fly observing one day a sheep says: Parnell has at last made an self, and I think she does,' I'll tell official utterance in the form of an running with great rapidity from a you where it originated. In early open letter to a Paris journalist forest, inquired, "What is the times, long before the California concerning the Pope's circular, matter, my friend?" "Matter excitement, a young boy from He announces that he is pleased enough," panted the sheep. "Dear Pike County, Missouri, by the with it because of the effect it will fly, in yonder wood there is a name of Blackburn, ran away from certainly have upon the fortunes lion!" "Really, and what of that?" his home and went out to the of the real Irish party. The returned the fly. "Surely you are mountains. He became hunter, breach the Papal circular has all not afraid of a lion?" "And do trapper, Indian fighter and guide, ready caused among the papers you indeed not fear him?" gasped and at the period where other which affected to represent the the sheep. "Certainly not; to people become satisfied with their Irish cause, Mr. Parnell says he prove it, I will myself enter the stature and stop, Blackburn kept regards with delight, because it wood," The fly hurried away, on growing until he towered 6 feet will place the Catholic religion and returning after some time 4 inches into the air. In addition just where it belongs in the poli-continued, "You are right my to his unusual height he was very ties of Ireland. Some of the truest friend, he is there; but really there slim and unapproachably awk- republicans in Ireland have felt is no occasion for fear. I con ward. His joints were large so themselves compelled to conceal versed with him for some minutes were his hands and feet, and in their sympate y with the Irish par, and I even flatter myself that it his gait he seemed to imitate the ty and to hold aloof from all par- was I who annoyed him.
