BROWN'S IRON **BITTERS** will cure dyspepsia, heartburn, mala-ria, kidney disease, liver complaint, and other wasting diseases. BROWN'S IRON

BITTERS enriches the blood and purifies the system; cures weakness, lack of energy, etc. Try a bottle.

BROWN'S IRON BITTERS

is the only Iron preparation that does not color the teeth, and will not cause headache or constipation, as other Iron preparations will.

The arms and ammunition trade in this country is delighted at the impetus that the patronage of the Chinese government has suddenly given to their industry. Since the hostilities between Peru and Cnile practically ceased there has been a great falling off in the foreign demand for American munitions of war. The stagnation in trade has not been so great for years as it was last winter and some large

firms failed. The trade cannot expect to do much if any business with France, as that country has immense facilities for turning out its own war supplies, but it is said that some American companies have recently sent agents to Sapan, to demonstrate the ad

vantages of buying arms and ammunition in this country when such supplies are needed.

The secretary of the interior is paying considerable attention to persons who have secured government land by fraudulent methods, and is prosecuting them with exceptional vigor. He proposes to recommend to congress in his

report next winter the necessity of overhauling the land laws with Notice of Application to Purchas

of overhauling the land laws with the object of placing such re-strictions apon the obtainment of public lands as will stop the wholesale and fraudulent grabbing which has of late become notori-ously frequent. A Watertown, N. Y., man, who has kept an account of the weather, claims that it invariably repeats itself, and gives the following as the result of his observations, viz: All years ending in 9, 0 or 1, are
