SECRET!

THE ONLY DISSOLVER OF THE POISONOUS URIC ACID WHICH EXISTS IN THE BLOOD OF RHEUMATIC AND GOUTY PATIENTS.

SALICYLICA is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panacea only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, ointments, liniments, and soothing lotions will not eradicate these diseases which are the result of the poisoning of the blood with Uric Acid

SALICYLICA works with marvelous effect on this acid and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. Higher Medical Academy of Paris reports 45 per cent cures in three days.

REMEMBER

that **SALICYLICA** is a certain cure for **Rheumatism, Gout** and **Neuralgia.** The most intense pains are subdued almost instantly.

Give it a trial. Relief guaranteed or money refunded.

ASK YOUR DRUGGIST FOR IT.

But do not be deluded into taking imitations or substitutes, or something recommended as "just as good!" Insist on the genuine with the name of **Washburne & Co** on each box which is guaranteed chemically pure under our signature, an indispensable requisite to insure success in the treatment. —Will you suffer with Dyspepsia and Liver Complaint? Shiloh's Vitalizer is guaranteed to cure you. Sold by W. E. Dement.

A N. Y. dispatch says the latest and most successful attempt to open a gambling hell at Long Branch is now fairly under way. It is Phil. Daly's enterprise and is the first deliberate attempt made in this country to imitate the luxurious boarding houses at Baden and other spas and to entice American women to imitate the practices of the continental fashionables. Anything more unique and glittering than this so-called club house is not seen in this country.

The *N. Y. Commercial* learns from the very best authority that a through car will leave New York for Puget Sound within the next ninety days. It is also well known that the West Shore and Northern Pacific companies are negotiating for interchange of passengers, to go into effect immediately upon the completion of the first named road.

General Sherman, accompanied by Tidball of his staff, left Washington last Wednesday for Buffalo, where he will be joined by Chief Justice Waite and Justice Gray. From there the party will start on their trip across the continent along the southern boundary of the United States, inspecting all of the military posts en route.

The laborers blasting rocks on the railroad extension beyond Redding are slaughtering hundreds of snakes that have taken up their quarters there. Every blast of powder sends into the air a writhing mass of snake flesh and the noise made by the rattlesnakes can be plainly heard at a distance.

The official figures show that over 300,000 men who wore the blue during the war and lost their lives in defence of the union, sleep in the national cemeteries, and their graves are taken care of by the government.

Archbishop Wood, of Philadelphia, a leading Catholic divine, died in that city last Wednesday night.

Why waste time in bemoaning the hard fate that has rendered you a confirmed rheumatic when any druggist will sell you a bottle of St. Jacobs Oil? Mr. Wright, of Blair, Neb., connected with the Commercial House, a hostlerie, which the people of Blair justly consider one of the best in this part of the State, says the Great German Remedy, St. Jacobs Oil, goes ahead of anything else as a pain reliever. Mr. Wright has frequently heard the good remedy praised by guests at the Commercial, and when the lumbago seized his back, it was the first thing he bought. Purchasing a bottle at one of our drug stores he just went for that pain without ceremony. To say that it benefitted him is not enough. The Great German Remedy just grappled with that pain and made it vacate the premises in two applications. He concludes his eloquent panegyric on the efficacy of St. Jacobs Oil by saying that he had only used one-fourth its contents and there was yet enough remaining to cure two more cases of lumbago.

A Chicago Merchant's Experience

After I had become almost skin and bone, with neither strength, appetie nor ambition left, and the doctors couldn't help me, two bottles Parker's Ginger Tonic cured me completely. M. B. Westcott, Lamp M'f'r, Chicago.

Try It.

"I like it better than any remedy I have ever used, because it leaves my bowels in better condition," is the remark made by everyone when referring to Syrup of Figs. That is one of the principal reasons why Syrup of Figs is taking the place of all the liver medicines and nauseous cathartics heretofore used. Try it. Messrs. W. E.
