He is clear stuff, and I don't care what yu work him up into, he won't swell and he won't shrink. He iz amungst men what good kil dried boards are among carpeuter, he won't season crack. It don't make enny difference which side ov him you come up to, he iz the same bigness each way, and the only way tew get at him, enny how, iz to face him. He knows he iz square, and never spends any time trieing to prove it. The square man iz one of them kind ov chunks that kant alter tew fit a spot, but you must alter the spot to fit him.

Josh Billings.

An Arkansaseditor having retired from the business leaves this clear and satisfactory explanation: "It is due to the public that I should make a full confession before I retire from the active control of the cure of Skin, Scale, and Richova Librory in the cure of Skin, Scale, a

Spider. I procured the position merely to secure office, and now that I have been elected constable of this precinct I step aside to give of this precinct I step aside to give the secure of this precinct I step aside to give the secure of this precinct I step aside to give the secure of this precinct I step aside to give the secure of t tire from the active control of the of this precinct I step aside to give dr some other aspiring man a chance. I have made many friends and killed two men during my editorial career, for which I am deeply indebted to this community."

Some of the greatest sacrifices have been made, not by herors and martyrs who live above the centuries in immortal fam:, but by nameless and forgotten women and children, who have borne the beaviest cross with silent lips and ungrudging soul, never dreaming that there was anything very sublime in their endurance.

Teacher-"In the sentence, 'Mary loves John,' what does John agree with?" Bright scholar-"With Mary." Teacher -"With Mary? How do you make that out?" Bright scholar -" 'cause Mary wouldn't love him if he didn't agree with her."
