STRONG FACTS!

A great many people are asking what particular troubles BROWN's IRON BITTERS is good for.

It will cure Heart Disease, Paralysis, Dropsy, Kidney Disease, Consumption, Dyspepsia, Rheumatism, Neuralgia, and all similar diseases.

Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system, drives out all disease.

A Lady Cured of Rheumatism.

Baltimore, Md., May 7, 1880.
My health was much shattered by
Rheumatism when I commenced
taking Brown's Iron Bitters, and I
scartely had atrength enough to attend to my daily household duties.
I am new using the third bottle and I
am regaining strength daily, and I
cheerfully recommend it to all.
I camnot say too much in praise
of it. Mrs. Mary E. Brassman,
173 Presumanst.

Kidney Disease Cured. Christiansburg, Va., 1881.
Suffering from kidney disease, from which I could get no relief. I tried Brown's Iron Bitters, which cured me completely. A child of mine, recovering from scarlet fever, read no appetite and did not seem to be able to eat at all. I gave him Iron Bitters with the happiest results.

J. KYLE MONTAGES.

Vine St., Harrisburg, Pa. Dec. 2, 1001. Dec. 2, self.

After trying different physicians and many remedies for palpitation of the heart without receiving any benefit, I was advised to try Brawn's Iron Bitters. I have used two besties and never found anything that gave me so much relief.

Mrs. Janner Hess.

For the peculiar troubles to which ladies are subject, Brown's Iron BITTERS is invaluable. Try it.

Be sure and get the Genuine.

A Game of Poker in Louisville.

But poker is the true Kentucky game. Nearly all the fashionable clubs play, with limits that are only measured by the players' pockets. Eli Marks, Sam Brown, and a few other well known sporting men have a game they call stud-horse poker. Four cards are turned face upward on the table and one is left face downward. INE OF THE CLDEST AND MOST RELIABLE The bluff is done with the card since the little party were assembled in their room on Fourth and Jefferson streets. It was growing late and the "ante" was increasing as the time went by. It has raised to "\$25, call \$125," when, after several raises had been made, there was about \$2,000 in the pot. All were out except Brown and Marks. Brown had exposed a king, queen, ten and tray, with the card that was concealed, which was a king. Marks had a pair of deuces and an acc and a king exposed. Nobody knew what he had concealed. Brown, who knew that if he didn't make a big bluff Marks would, threw down \$1,500 and waited with the characteristic phlegm of his profession for Marks' response. Without moving a Concerning Certain Relies of the muscle of his face, Marks shoved up \$6,500, and said stolidly: "I go you \$5,000 better" Brown the money with a pair of deuces, the Capeine is quick and sure. and had run out a pair of kings.
