PLAIN TRUTHS.

The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible. If disease has entered the system the only way to purify and enrich the blood.

These simple facts are well known, and the highest medical authorities agree that nothing but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious. BROWN'S IRON BITTERS will thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will not blacken the teeth, cause headache or constipation, and is positively not injurious.

Saved his Child.

17 N. Duane St., Baltimore, Md. Feb. 12, 1883. Gent:- Upon the recommendation of a friend, I purchased a bottle of BROWN'S IRON BITTERS for my daughter, who was suffering from the effects of a cold. I was thoroughly convinced, having lost three daughters by the same disease, and the care of eminent physicians, I was loath to believe that anything could avert the progress of the disease, but, to my great surprise, before my daughter had taken one bottle of BROWN'S IRON BITTERS, she began to mend and now is quite restored to former health. I wish to state that she was suffering from a cold, and when the physician was consulted she was told to "give her iron." I was informed that the older sister was taking BROWN'S IRON BITTERS, and responded "that is a good tonic, take it."

BROWN'S IRON BITTERS effective.

It cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Consumption, Kidney Complaints, etc.

A Fearless and Truthful Judge.

I once heard this anecdote of Judge Parsons, the great Massachusetts advocate and lawyer. It is said that being about to try a mercantile case he ordered a jury to be summoned, and among the names was that of Colonel Thomas H. Perkins, the leading merchant of Boston, in that day, and a personal friend of Judge Parsons. When the officer made his return he laid down a fifty dollar bill before Judge Parsons.

"What is that?" said Parsons. "Col. Perkins says he is very busy indeed to-day and prefers to pay his fine."

"Take that back to Col. Perkins," said the Judge, "and tell him to come here at once; and if he refuses, bring him by force."

When Col. Perkins appeared, the Judge looked sternly at him, and said: "What do you mean, sir, by sending money when you were summoned to sit on this jury?"

Col. Perkins replied: "I meant no disrespect to the court, your Honor but I was extremely busy fitting out a ship for the East Indies, and I thought if I paid my fine I might be excused."

"Fitting out a ship for the East Indies, sir!" shouted the Judge; "and how happens it that you are able to fit out a ship for the East Indies?"

"Your Honor, I do not understand you." "I repeat, then, my question: How is it that you are able to fit out a ship for the East Indies? If you do not know, I will tell you. It is because the laws of your country are properly administered. If they were not, you would have no ships. Take your seat, sir, with the jury."

A lady supposed to be about ninety years of age, residing in the western portion of Chilton county, Ala., and who is the mother of thirteen children, has recently passed through another period of dentition, and has now a full set of fresh, natural teeth.

The New York Herald is inclined to believe the startling statement made by Dr. Talmage on Sunday week that there are two hundred and fifty thousand persons in the two cities of New York and Brooklyn who receive charitable assistance.

There are 80,000,000 acres of unsurveyed land in Montana, and numerous sections will have to be resurveyed, owing to the imperfect, worthless character of the work done.

Mr. Geo. L. Chalmers, of Bangor, Me., says: "I suffered severely with acute rheumatism of the knee, and was unable to bear any weight on my foot. Having heard of the wonderful influence of St. Jacobs Oil, I used it, and a few applications of the oil completely removed all soreness and pains, and enabled me to use my knee as well as ever."

A WELL-KNOWN PHYSICIAN WRITES: "It does not dry up a cough, and leave the throat behind, as is the case with most preparations. It loosens the phlegm, and allows it to be expectorated. It does not DECEIVE by any means. It is a well-known fact that it is a good tonic, and a good remedy for all the ailments mentioned above."

The old plasters lacked the power to do more than to impart relief, temporary relief in cases easy of treatment; the Capsine penetrates the system and permanently cures the trouble for which it is recommended.
