The Secret

of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it—no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health—in no other way can lasting benefit be obtained.

79 Dearborn Ave., Chicago, Nov. 7.
I have been a great sufferer from a very weak stomach, heartburn, and dyspepsia in its worst form. Nearly everything I ate gave me distress, and I could eat but little. I have tried everything recommended, have taken the prescriptions of a dozen physicians, but got no relief until I took Brown's Iron Bitters. I feel none of the old troubles, and am a new man. I am getting much stronger, and feel first-rate. I am a railroad engineer, and now make my trips regularly. I can not say too much in praise of your wonderful medicine. D. C. MACK.

BROWN'S IRON BITTERS does not contain whiskey or alcohol, and will not blacken the teeth, or cause headache and constipation. It will cure dyspepsia, indigestion, heartburn, sleeplessness, dizziness, nervous debility, weakness, &c.

Use only Brown's Iron Bitters made by Brown Chemical Co., Baltimore. Crossed red lines and trade-mark on wrapper.

Lincoln's Dry Humor.

"Just after Jeff Davis had been captured," says a gentleman, reported in the Boston *Traveler*, "I called over to the white house to see President Lincoln. I was ushered in, and asked him, 'Well, Mr. President, what are you going to do with Jeff Davis?' Lincoln looked at me for a moment and then said to me in his peculiarly humorous way: 'That reminds me of a story. A boy 'way out west, caught a coon and tamed it to a considerable extent, but the animal created such mischief about the house that his mother ordered him to take it away and not to come home until he could return without his pet. The boy went down town with the coon, secured with a strong piece of twine, and about an hour was found sitting on the edge of the curbstone, holding the coon with one hand and crying as though his heart would break. A big-hearted gentleman who was passing stopped and kindly inquired: 'Say, little boy, what is the matter?' The boy wiped a tear from his eye with his sleeve, and in an injured tone howled: 'Matter! Ask me what's the matter! You see that coon there? Well, I don't know what to do with the darned thing. I can't sell it, I can't kill it, and ma won't let me take it home."

Dr. B. L. Jenkins, who claims the credit of having predicted the present outbreak of cholera eleven years ago, contends in the *Pall Mall Gazette* that the disease which has periodically visited England is not Indian, but Arabian, in its origin. The Indian cholera, he says, has uniformly exhausted itself in Russia and Germany, whereas the Arabian, in every instance where Egypt has been attacked, has been communicated to England. Dr. Jenkins takes the gloomiest view of the present outbreak in Egypt, predicting that before the year closes, the disease will be making ravages in every quarter of the globe.

We learn with rare pleasure that ex-Sanitary Commissioner Rufus K. Hireman, of New Orleans, was cured of a severe attack of rheumatism by St. Jacobs Oil," says the Columbus (Ga.) *Enquirer-Sun.*
