of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it—no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health—in no other way can lasting benefit be obtained.

New Postal Regulations

WASHINGTON, D. C. July 18.—A circular was issued to-day from the office of the third postmaster-general, officially notifying postmasters throughout the United States of a reduction in postage rates, which is to take effect on October 1, and directing them to make preparations for it.

Postmasters are notified that it is desired to have as small a stock of the present three-cent postage stamps and stamped envelopes on hand as possible, when the reduction goes into effect. They are accordingly instructed to limit their requisitions for stamps and envelopes of this denomination to such quantities as upon careful estimate they may deem sufficient to last until October 1.

He also directs that as no arrangements have been made for the redemption of three-cent stamps and envelopes in the hands of private holders until further notice, Postmasters will not make exchange for the public nor return to the department stock that remains on their hands after October 1st.

Postmasters are, however, notified as two and three-cent stamps and envelopes of the present issue will continue to be valid after that date, they must be accepted in payment of postage when offered in proper amount, and that three-cent stamps can be used in combination with other denominations on letters requiring more than one rate and on parcels of the third and fourth class, and circular matter. It also announces that the department will be ready to issue two-cent stamps of the new design on the fifteenth of September, but those stamps and envelopes must not be placed on sale or used by postmasters before October 1; also that no three-cent stamps will be issued after September 14, unless the requisition therefor is accompanied by a statement that they are needed for immediate use, and that the full supply will become exhausted by October 1.

It further says that no three-cent stamped envelopes will be issued after the 31st of August, unless the requisition for them is accompanied by a similar statement. The circular instructs the postmasters as to the design for the new two-cent and four-cent stamps, and also as to the stamped envelopes, and notifies them that the prices of envelopes, exclusive of postage, will remain the same as at present. That no change will be made in postage due; that the rates on drop letters will remain the same as at present.

"I keep that wonderful medicine, St. Jacob's Oil, both at my home and office, and esteem it, without any exception, the most efficacious remedy in the world for rheumatism, etc.," says Supt. O'Neill, of the Dominion Police, Ottawa, Canada.

SALT RHEUM

Wonderful Cures of Salt Rheum when Physicians, Hospitalists, and all other means failed.

SALT RHEUM. I have been a great sufferer with Salt Rheum for thirty years, commencing in my head and face and extending over the greater part of my body. I have taken all kinds of medicine for the relief of different kinds and it did not do me any good. I have tried all the remedies of the day, but a friend called my attention to CUTICURA. I bought and used it and I found it to be the only remedy that would do me any good. I am now cured and I can say that I owe my health to CUTICURA. I can say that I owe my health to CUTICURA.
