BLACKSMITH

AND Horseshoeing Establishment.

I HAVE LATELY SECURED THE SERVICES of a competent horseshoer from this city, who will guarantee satisfaction in that work. Call on my general blacksmithing shop at reasonable rates. Shop near Kinney's cannery. JOHN FEELY.

The Power of Water.

The properties of water are only partially understood by those who have never seen it under high pressure.

Know

That Brown's Iron Bitters will cure the worst cases of dyspepsia

Will insure a hearty appetite and increased digestion.

Cures general debility, and gives a new lease of life.

Dispels nervous depression and low spirits.

Restores an exhausted nursing mother to full strength, and gives abundant sustenance for her child.

Strengthens the muscles and nerves, enriches the blood.

Overcomes weakness, want of energy, and lack of firmness.

Keeps off all chills, fevers, and other malarial poison.

Will infuse with new life the weakest invalid.

BROWN'S IRON BITTERS

will have a better tonic effect upon any one who needs "bracing up," than any medicine made.

Walker St., Baltimore, Dec. 28th. For forty years I have been a great sufferer from Blood Disease, Dyspepsia and Constipation and I have tried everything on my stomach, in fact, I had almost become a heretic. Finally, when hope had almost failed me, my husband advised me to try Brown's Iron Bitters. I am now taking the third bottle and have not felt so well in twenty years as I do at the present time. Mrs. L. F. CURTIS.

SKIN HUMORS

Wonderful Cure of a Lad 12 years old, who for 8 years, from the top of his head to his ankles, was one mass of Scabs.

My son, a lad twelve years of age, was afflicted with the worst form of Eczema for a period of eight years. No relief was obtained from the top of his head to his ankles, he was one mass of scabs, which refused to yield to any treatment that was attempted. Every remedy that was suggested by friends or physicians was tried in vain. Altho, homoeopathic, herbs, root, salt-water baths, flaxseed poultices, soap, ointments, and in short every thing that could be done to eradicate the disease seemed only to aggravate it, and the child's life became a burden to him, and the expense of the various experiments was a constant drain upon our resources.

My wife read the advertisement of the Catarrh Cure, and she was so much interested in it, she resolved to make one more attempt at a cure. The disease was now extending upon his face, and seemed insupportable. I gave a reluctant consent to the proposal, and an interview was had with a famous lady physician of New York, who made a most careful examination of the case, and pronounced there was a marked change; the rash and angry sore began to grow pale and abate the outer edges receded, and in a few days they began to disappear entirely, until at length the only visible signs were the small spots which the forehead, cheeks, and neck were fast disappearing.

These after eight years of expense and anxiety, we have the intense satisfaction of seeing the child's skin as fair and smooth as any other child's, and the disease is entirely eradicated. This is a wonderful cure, and one that should be known.
