STRENGTH

to vigorously push a business, strength to study a profession, strength to regulate a household, strength to do a day's labor without physical pain. All this represents what is wanted, in the often heard expression, "Oh! I wish I had the strength!" If you are broken down, have not energy, or feel as if life was hardly worth living, you can be relieved and restored to robust health and strength by taking BROWN'S IRON BITTERS, which is a true tonic—a medicine universally recommended for all wasting diseases.

501 N. Fremont St., Baltimore

During the war I was injured in the stomach by a piece of a shell, and have suffered from it ever since. About four years ago it brought on paralysis, which kept me in bed six months, and the best doctors in the city said I could not live. I suffered fearfully from indigestion, and for over two years could not eat solid food and for a large portion of the time was unable to retain even liquid nourishment. I tried Brown's Iron Bitters and now after taking two bottles I am able to get up and go around and am rapidly improving.
G. DECKER.

BROWN'S IRON BITTERS is a complete and sure remedy for Indigestion, Dyspepsia, Malaria, Weakness and all diseases requiring a true, reliable, non-alcoholic tonic. It enriches the blood, gives new life to the muscles and tone to the nerves.

Household Items Worth Remembering.

Fish may be scaled much more easily if they are dipped for an instant in boiling water.

Shellac is the best cement for jet articles. Smoking the joint renders it black to match.

Cream cures sunburn on some complexions, lemon juice on others, and cold water suits still others best.

It will rest you wonderfully to change your seat in the room occasionally if you have a long day's sewing to do.

Tough meat may be made as tender as any by the addition of a little vinegar to the water when it is put on to boil.

It soothes and cools a feverish patient to bathe him with warm water in which a little saleratus has been dissolved.

Roasted coffee is one of the most powerful disinfectants, not only rendering animal and vegetable effluvia harmless, but really destroying them.

If the brass top of a kerosene lamp has come off, it may be repaired with plaster of Paris wet with a little water, and will be as strong as ever.

To beat the whites of eggs quickly, put in a pinch of salt. The cooler the eggs the quicker they will froth. Salt cools and also freshens them.

In caring for furniture remember to keep water away from every soluble therein, oil from everything porous, alcohol from varnish, and all acids from marble.

A dispatch from Victoria, B. C., says: Brush fires have spread over the whole country. The fires are raging on the Granville road up both sides of Fraser river as far as Yale and up the northwest coast. All is fire and smoke between Hapeum and Yale. The banks of the river can scarcely be seen from the steamers. The forest and brush on the island are everywhere in flames. There has been no rain for nearly three months.

The agent of the Milwaukee and St. Paul Railroad, Mr. Kroeger, 451 Virginia street, Milwaukee, Wis., says: "St. Jacobs Oil will always be fondly remembered by me; it cured me both of rheumatism and neuralgia. I consider it an indispensable article of the household, and it never fails to do good."
