"I never swore an outh, or took a chew of tobacco, or smoked a whole cigar. I never bought or soil a drink of whisky or brandy for myself. I never owned or carried a piscol. Brewers were compelled to adrance the price of beer in cousemee. The increase in ther hop crop this year has caused the bottom to drop out of the speculation. The very best of hops are now juoted in the eastern markets at 25 and 28 cents. So there is a strong probability that those who held too long are "out and injured."

We give the Best

The theatre is crowded nightly, and all who have witnessed the entertainment pronounce it to be equal to any given elsewhere. Mr. Hill as a caterer for the public's amusement can not be excelled. Anybody wishing to spend a pleasant evening and see sparkling wit and beauty without vulgarity, should improve the opportunity and come.
