Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, overwork, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as BROWN'S IRON BITTERS, and it does this by commencing at the foundation, and making the blood pure and rich.

Wm. P. Marshall, of Logansport, Indiana, writes: "My wife has for many years been troubled from pain in her back and general debility incident to her sex. She has taken one bottle of Brown's Iron Bitters, and I can truthfully say that she has been so much benefited that she pronounces it the only remedy of many medicines she has tried."

Leading physicians and clergymen use and recommend BROWN'S IRON BITTERS. It has cured others suffering as you are, and it will cure you.

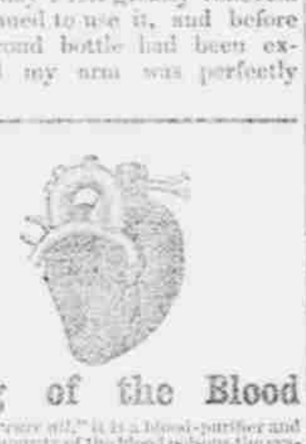
What Becomes of our Bodies.

With a very near approach to truth, the human family inhabiting the earth has been estimated at 7,000,000,000; the annual loss by death is 8,000,000. Now, the weight of the animal matter of this immense body cast into the grave is no less than 634,000 tons, and by its decomposition produces 9,000,000,000,000 cubic feet of gaseous matter. The vegetable productions of the earth clear away from the atmosphere the gases thus generated, decomposing and assimilating them for their own increase. This cycle of changes has been going on ever since man became an occupant of the earth. He feeds on the lower animals and on the seeds of plants, which in due time become a part of himself. The lower animals feed upon the herbs and grasses, which in their turn become the animal, then, by its death, again pass into the atmosphere and are ready once more to be assimilated by plants, the earthy or bony substance alone remaining where it is deposited, and not even then unless sufficiently deep in the soil to be out of the incumbent reach of the roots of plants and trees. It is not at all difficult to prove that the elements of which the living bodies of the present generation are composed have passed through millions of mutations, and formed parts of all kinds of animal and vegetable bodies, and consequently it may be said that fractions of the elements of our ancestors form portions of ourselves.

It has been found that copper exists in all plants and especially in wheat. It does not, therefore, prove that bread is adulterated because traces of copper are detected in it.

At 187 West street, New York, is the Erie Ticket Office, presided over by Mr. C. V. V. Ward, who thus writes: "Some months ago I had rheumatism in my right arm, and was unable to raise it. I was advised by a friend to use St. Jacobs Oil. I did so, and on the second day I felt greatly relieved. I continued to use it, and before the second bottle had been exhausted my arm was perfectly well.



King of the Blood

Is not a "cure all," it is a blood-purifier and tonic. Impurity of the blood poisons the system, deranges the circulation, and thus induces many disorders, known by different names to distinguish them according to effects, but being really branches or phases of that great generic disorder, Impurity of Blood. Such are *Dyspepsia, Biliousness, Liver Complaint, Constipation, Nervous Disorders, Headache, Backache, General Weakness, Heart Disease, Dropsy, Kidney Disease, Piles, Rheumatism, Catarrh, Scrofula, Skin Disorders, Pimples, Ulcers, Swellings, &c., &c.* King of the Blood prevents and cures these by attacking the cause, Impurity of the blood. Chemists and physicians agree in calling it "the most genuine and efficient preparation for the purpose." Sold by Druggists, $1 per bottle. See testimonials, directions, &c., in pamphlet, "Treatise on Diseases of the Blood," wrapped around each bottle.

MOTHERS, READ.

GENTS:—About nine years ago I had a child two years old and almost dead. The doctor I had attending her could not tell what ailed her. I asked him if he did not think it was worms. He said no. However, this did not satisfy me, as I felt convinced in my own mind that she had. I obtained a bottle of DR. C. McLANE'S CELEBRATED VERMIFUGE genuine. I gave her a teaspoonful in the morning and another at night, after which she passed seventy-two worms and was a well child. Since then I have never been without it in my family. The health of my children remained so good that I had neglected watching their actions until about three weeks ago, when two of them presented the same sickly appearance that Fanny did nine years ago. So I thought it must be worms, and went to work at once with a bottle of DR. C. McLANE'S VERMIFUGE between four of my children, their ages being as follows: Alice, 8 years; Charley, 4 years; Emma, 6 years; John, 2 years. Next comes the result: Alice and Emma came out all right, but Charley passed forty-five and Johnny about sixty worms. The result was so gratifying that I spent two days in showing the wonderful effect of your Vermifuge around Tiffin, and now have the worms on exhibition in my store.
Yours truly, JOHN PIPER.

The genuine DR. C. McLANE'S VERMIFUGE is manufactured only by Fleming Bros., Pittsburgh, Pa., and bear the signatures of C. McLane and Fleming Bros. It is never made in St. Louis or Wheeling. Be sure you get the genuine. Price 25 cents a bottle.
