# Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, overwork, nervous debility &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases and BROWN'S IRON BITTERS, and it does this by commencing at the foundation, and making the blood pure and rich.

> Wm. P. Marshall, of Logansport, Indiana, writers "My wife has for many years been froubled from pain in her back and general debility incident to her sex. She has taken one bottle of Brown's Iron Bitters, and I can unshfully say that she has been so much benefited that she pronounces it the only remedy of many medi-cines she has tried."

Leading physicians and clergymen use and recontmend Banwa's Iron Bir-TERS. It has cured others suffering as you are, and it will care you.

Something Else Needed.

The Chicago Temos, an independent paper, whose general tendencies are Democratic, and whose support was given to Tilden in 1876, and to Hancock in 1880, is not convinced of the effectiveness of the cry of the regu lation Democratic organs-"Turn the rascals out?" It thinks, the party would do well to eschew humbugs and hypocrisy, and get itself into a position where it could command the confidence of the country on the merits of its own policy. Following this up, it proseeds to show that of the long list of "rascals" named by the organs, all leave been "terned our" al rendy, a result which had no preculout in the Phanocratic reign of the presences onionaring rule of the Pierce and Buchman. The Times also wants to know what assurance the country would have that the rascals who have been turned out would not forthwith join any syndicate that promised success, and get theraselves turned in again. The conclusion is us follows: "The country is not likely to be faseinated with such a prospect, nor to make a choice of what, if there is any teaching in history, would in all probability be the greater evil. The humbug cry of Turn the rascals out!" will not serve the Democratic syndicate any better than, nor-so well as, it has served them heretofore. They cannot hope to win by it, and they ought not to. It is only an expression of the very essence of the fraud and the rescality they affect to execute, dwelling in their own motives. They must get some other inscription for their presidential battle flag-one that will tell the country clearly, posttively, without subterfuge or evasion, what they propose to do when they get it?"

A Senttle dispatch says the conmet for the first division of the Cascade branch 120 miles, bas been let. The contract for the last division of the Paget Sound Shore line between here and Portland has also been let to Noonan & Co. Work is progress ing favorably on the Green River road, for the completion of which Scattle gives \$150,000. This road will connect with the Cascade division. Surveys along the city front are completed, and the sur- SPACOFICS, veyors are now engaged in the location of the line between this city and the Newcastle mines. The line, at present narrow guage, will be changed to standard.
