Mayor Chapman's Disgrace. There existed a general supposition when Dr. Chapman was nominated for mayor, that a ring combination had been formed by which he, in case of election, would simply act as the tool of L. Besser and others. The suppostition has become an established fact, and a written document-and we have seen the original-signed by A. J. Chapman and L. Besser, by which it is agreed that Tom Connell was to furnish the money necessary to carry out the primaries for the city convention which was to nominate Dr. Chapman, and after his election he was to appoint Connell to the office of chief of police and L. Besser as street chief of police and L. Besser as street commissioner. The latter further skin. "Hill's Hate and Whisker agreed that he would go to the legislature and have the mayor's office salaried to the amount of \$5,000 per annum, and in case of failure, L. Besser agreed to pay an annual sum of \$2,000 to Mayor Chapman out of additional sum of \$1,000 from the G K Grimes to A H Morgan and A chief of police. This is undoubtedly the most disgraceful expose we have yet seen, and the council should at once investigate the matter, impeach the mayor and remove him from a place he has dis-graced. It should not stop at this, The case should be presented to the grand jury and with him L. Besser. where they should be for the crime they have committed.
