A great many people are asking what particular troubles BROWN's IRON BITTERS is good for.

FACTS!

It will cure Heart Disease, Paralysis, Dropsy, Kidney Disease, Consumption, Dyspepsia, Rheumatism, Neuralgia, and all similar diseases.

Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system, drives out all disease.

#### A Lady Cured of Rheumatism.

Baltimore, Md., May 7, 1880.
My health was much shattered by Rheumatism when I commenced taking Brown's Iron Bitters, and I scarcely had strength enough to attend to my daily household duties. I am now using the third bottle and I am regaining strength daily, and I cheerfully recommend it to all. I cannot say too much in praise of it. Mrs. Many E. Brannan.

Kidney Disease Cured.

Christiansburg, Va., 183t.

Suffering from kidney disease, from which I could get no relief, I tried Brown's Iron Bitters, which cured me completely. A child of mine, recovering from scarlet fiver had no appetite and did not seem to be able to cat at all. I gave him I make Bitters with the happiest results.

J. Kyla Montages.

Heart Disease.

Vine St., Harrisburg, Pa. Dec. 2, 1981. Ther, a, 1884.

After trying different physicians and many remedies for palpitation of the heart without receiving any benefit, I was advised to try Brown a Iron Bitters. I have used two bottles and never found anything that gave me so much relief.

Mrs. Janner Hess.

For the peculiar troubles to which ladies are subject, Brown's Iron BITTERS is invaluable. Try it.

The Louisville Courier-Journal says: At the present moment we are almost at the mercy of the enemy. But what of the future? The misrepresentations to which we were subjected in 1880 were bad enough. But they will fade into nothing by comparison whith those which are lying in wait for us and which will assail us in 1884 if we fail to improve the six or seven months intervening between the meeting of congress and convention period. Nor are the misvention period. Nor are the mis-representations of the enemy our sole danger. There are equally menacing misconceptions among our own people. Every mail brings us proof of this. Can any one wonder, that in the presence of such mismformation the Republicans make it the busi-southed and healed as by magic; ness of the time to saddle upon us and upon the party opinions and purposes the bare entertainment of which would prove the utterer a lunatic?"

Boys and young men sometimes start out in life with the idea that one's success depends on sharpness and chicanery. They imagine that if a man is able always to get the best of a bargain, no matter by what deceit and meanness he carries his point, that his prosperity is assured. This is a great mistake. Enduring prosperity can not be founded on cunning and dishonesty. The tricky and deceitful man is sure to fall a victim, sooner or later, to the influences which are forever working upon the sand, and its foundation ple cannot give these truths too young man is safe who eschews every phase of double-dealing and lays the foundation of his career in the enduring principles of
