STRONG FACTS!

A great many people are asking what particular troubles Brown's IRON BITTERS is good for.

It will cure Heart Disease, Paralysis, Dropoy, Kidney Disease, Consumption, Dyspepsia, Rheumatism, Neuralgia and all similar diseases.

Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system, drives out all disease.

A Lady Cured of Rheumatism.

Baltimore, Md., May 7, 1880.
My health was much shattered by
Kheumatism when I commenced
taking Brown's Iron Bitters, and I
scarcely had strength enough to attend to my slaily household duries.
I am new using the third bottle and I
am reprinting strength daily, and I
cheerfully recommend it to all.
I cannot say too much in praise I cannot say too much in praise of it. Mrs. Many E. Brashear, 175 Prestmanat.

Kidney Disease Cured.

Christiansburg, Va., 1882.
Suffering from kidney disease from which I could get no relief. I tried Brown's Iron littless, which cured me completely. A child of mine, recovering from scarlet level. had no appetite and did not seem to be able to cat at all. I gave him from Eitters with the happiest results.

Mr. Dana, of the New York Sun, advocated the nomination of Horace Greeley by the Demoeracy as its candidate for president; and he was nominated. Again he favored the nomination of Samuel J. Tilden, and he was nominated. New the Sun demands, with all the force at its command, the nomination to the Democracy of William S. Holman; and says of him that he is the right man for the place. He has had nine terms of service in congress, during which time he has never missed a roll-call, never voted for a job, never joined a ring, never voted away an acre of public domain, never granted a subsidy to a corporation, and never voted for a dishonest private claim. He is a Jeffersonian Democrat, says the Sim, who, if president, would insist on economy, simplicity, and efficiency. Honest himself, he would discountenance dishonesty in others; of simple personal habits, he would cut off-all unnecessary expenses of officials. He is honest, and would not steal; he is level-headed and would not be influenced; he is brave, and would not be bullied; Lemenweber & Co., he is industrious, and would make others work; he would give the country an honest, sober, economical, business administration. Mr. Dana persists in saying Mr. Tilden is out of the question as a possible candidate. If Mr. Holman is all that the Sun photographs him to be, he would indeed be a model president, a president with brains, courage, and conscience.—Argonaut.

The St. Helens Columbian, of the 28th ult., says: A large number of deeds to property in and Union India Rubber Co's about Columbia City have been recorded during the last two months, and would seem to indicate that the ownership of the valuable water front and lands adjoining is being gradually but surely concentrated in the hands of a few persons. Some of these purchases are being made on account of capitalists of large means.
