STRONG FACTS!

A great many people are asking what particular troubles BROWN'S IRON BITTERS is good for.

It will cure Heart Disease, Paralysis, Dropsy, Kidney Disease, Consumption, Dyspepsia, Rheumatism, Neuralgia, and all similar diseases.

Its wonderful curative power is simply because it purifies and enriches the blood, thus beginning at the foundation, and by building up the system, drives out all disease.

A Lady Cured of Rheumatism.

Baltimore, Md., May 7, 1880.
My health was much shattered by Rheumatism when I commenced taking Brown's Iron Bitters, and I scarcely had strength enough to attend to my daily household duties. I am now using the third bottle and I am regaining strength daily, and I cheerfully recommend it to all.
I cannot say too much in praise of it. MRS. MARY E. BOARMAN, 173 Freemanst.

Kidney Disease Cured.

Christiansburg, Va., 1881.
Suffering from kidney disease, from which I could get no relief, I tried Brown's Iron Bitters, which cured me completely. A child of mine, recovering from scarlet fever, had no appetite and did not regain it until I gave him Brown's Iron Bitters with the happiest results.
J. KYLE MONTAGUE.

Heart Disease.

Vine St., Harrisburg, Pa.
Dec. 7, 1881.
After trying different physicians and many remedies for palpitation of the heart without receiving any benefit, I was advised to try Brown's Iron Bitters. I have used two bottles and never found anything that gave me so much relief.
Mrs. JENNIE HESS.

For the peculiar troubles to which ladies are subject, BROWN'S IRON BITTERS is invaluable. Try it.

Be sure and get the Genuine.

Negro Superstition.

To let a child see itself in a looking-glass or a brook of running water, especially if the tide is running out, is equal to making its shroud. These coast Negroes have many superstitions about the tide, some believing that only "when de tide run back to catch de sea can death release de soul." "I know my soul am clean as new cotton," cried an old Baptist, "cause I was emersed when the tide was running out." They bathe all swellings with an outgoing tide; and nothing can induce them to begin to churn with a willing hand when the tide is running out, because butter will not come with but a rising tide. When a child is cross and fretful, without a known cause, the first question that is asked is: "Whar you hab that chil' the last time?" and no matter if it was in the field, or woods, or in a neighbor's house, some member of the family is sent to call the child's spirit, as they say it must have wandered too far away to hear the mother when, upon leaving, she called it. Their faith in this superstion is so strong that I have known a member of a family go to Charleston for no other purpose than to call the spirit of a child whose mother, upon entering the boat, forgot to say: "Come spirit, come! I gwine home now.—*N. Y. Independent.*

The German army is the most perfect military machine in existence. Each corps is constructed so as to form in itself a complete little army that can without inconvenience be at any time detached from the main body. During peace everything is kept ready for mobilization in case of war. If the decree for mobilization were to be wired to-morrow from Berlin, the whole field would be ready in a few hours to march.

Ten years ago two loving hearts were separated by a little quarrel owing to the miscarriage of an explanatory letter. He went west and married; she stayed east and married, and now both are free. He has eight children and the jaundice, and she seven and the dyspepsia, and neither has any idea of marrying again. Truth may be stranger than fiction, but it is not so romantic.

The newest nicety as to perjury is found in San Francisco. One Perazza had been convicted of the crime, but the supreme court reversed the conviction on the ground that the point that the offender was sworn to testify to was not material in the proceedings and therefore his testimony could not be perjury.

TUTT'S PILLS

TORPID BOWELS, DISORDERED LIVER, and MALARIA.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: **Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, A feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION,** and demand the use of a remedy that acts directly on the Liver. As a Liver medicine **TUTT'S PILLS** have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three **"scavengers of the system,"** producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. **TUTT'S PILLS** cause no nausea or griping nor interfere with daily work and are a perfect
