Farmers' Vindicator says that when you meet a genuine Bourbon Democrat you will meet an honest man and high-toned gentleman. O, yes, we have heard all about such things before. And, no doubt, if a man with a big wart on his chin, with hair cropping out of it, should happen to locate in Crosby county, and the editor of the Crosby County Clarion and Farmers Vindicator should suspect that there was a The Best of Lager 5 Cts. a Glass chance to get a subscription from him, the paper would issue an extra and say that a man with a hair wart on his chin always carried a style and impressiveness about to to which emphatically stamped him this plan as of high tone and blue blood.

The country is full of this Crosby County Clarion and Farmers' Vindicator style of editor. There is one of them up in New York state who says that small feet on a Hot Lunch every Day from 10 to 12 A.M. woman indicates a temper like cayenne pepper, and a tongue that will lie about her best friends. It is thought the French reverses in Tonquin will be fraught with serious results to oregon. fereigners in China. Advices from the interior show that political excitement is spreading.
