STRENGTH

to vigorously push a business, strength to study a profession, strength to regulate a household, strength to do a day's labor without physical pain. All this represents what is wanted, in the often heard expression, "Oh! I wish I had the strength!" If you are broken down, have not energy, or feel as if life was hardly worth living, you can be relieved and restored to robust health and strength by taking BROWN'S IRON BIT-TERS, which is a true tonic-a medicine universally recommended for all wasting diseases.

> 501 N. Fremont St., Baltimore During the war I was injured in the stomach by a piece of a shell, and have suffered from it ever since. About four years ago it brought on paraly sis, which kept me in bed six months, and the best doctors in the city said I could not live. I suffered fearfully from indigestion, and for over two years could not eat solid food and for a large portion of the time was unable to retain even liquid nourishment. I tried Brown's Iron Bitters and now after taking two bottles I am able to get up and go around and am rapidly improving. G. DECKER.

BROWN'S IRON BITTERS is a complete and sure remedy for Indigestion, Dyspepsia, Malaria, Weakness and all diseases requiring a true, reliable, non-alcoholic tonic. It enriches the blood, gives new life to the muscles and tone to the nerves.

tinguished clergyman who has given his views on the interesting subject of divorce. He agrees with nearly all who have spoken on the subject in condemning the alarming laxity of the courts in granting separations for trifling causes, and very often for no cause at all. "The sanctity of the family," he says, "is the hope of the world." At the same time he thinks that divorce should be granted on other than the scriptural ground of adultery. Drunkenness, he believes, ought to be a just cause; also cruelty, notorious corruption and conviction for the commission of a criminal offence. Mr. Beecher should be a little more precise when he specifies "notorious corruption," If he means "political corruption," and his theories were to go into effect, thousands and tens of thousands of happy homes would be broken up all over the country within the next ninety days. To be convinced of this, it is only necessary to read the partisan newspapers.
