STRENGTH

to vigorously push a business, strength to study a profession, strength to regulate a household, strength to do a day's labor without physical pain. All this represents what is wanted, in the often heard expression, "Oh! I wish I had the strength!" If you are broken down, have no energy, or feel as if life was hardly worth living, you can be relieved and restored to robust health and strength by taking **BROWN'S IRON BITTERS**, which is a true tonic—a medicine universally recommended for all wasting diseases.

During the war I was injured in the stomach by a piece of a shell, and have suffered from it ever since. About four years ago brought on paralysis, which kept me in bed six months, and the best doctors in the city said I could not live. I suffered fearfully from indigestion, and for over two years could not eat solid food and for a large portion of the time was unable to retain even liquid nourishment. I tried Brown's Iron Bitters and now after taking two bottles I am able to get up and go around and am rapidly improving.

BROWN'S IRON BITTERS is a complete and sure remedy for Indigestion, Dyspepsia, Malaria, Weakness and all diseases requiring a true, reliable, non-alcoholic tonic. It enriches the blood, gives new life to the muscles and tone to the nerves.

PERUVIAN SYRUP
Vitalizes and Enriches the Blood, Tones up the System, Makes the Weak Strong, Builds up the Broken-down, Invigorates the Brain, and CURES:
Dyspepsia, Nervous Affections, General Debility, Headache, Fever and Ague, Paralysis, Chronic Diarrhea, Boils, Dropsy, Humors, Female Complaints, Liver Complaint, Remittent Fever, and

ALL DISEASES ORIGINATING IN A COLD STATE OF THE BLOOD OR ACCOMPANIED BY DEBILITY OR A LOW STATE OF THE SYSTEM.

PERUVIAN SYRUP
Supplies the blood with the most potent life-giving element, Iron, in a palatable and non-toxic form. It is the only remedy that restores the blood to its normal state, and is therefore the only remedy for all diseases originating in a cold state of the blood or accompanied by debility or a low state of the system.
