# Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in it.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, over-work, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by commencing at the foundation, and making the blood pure and rich,

> Wm. P. Marshall, of Logans port, Indiana, writes: "My wife has for many years been troubled from pain in her back and general debility incident to her sex. She has taken one bottle of Brown's Iron Bitters, and I can truthfully say that she has been so much benefited that she pronounces it the only remedy of many medicines she has tried."

Leading physicians and clergymen use and recommend Brown's Iron Bit-TERS. It has cured others suffering as you are, and it will cure you.

During the past thirty years 150,-000 men on the Pacific slope have added over \$1,000,000,000 in gold to the substantial and indestructible weath of this country, and it may be questioned whether the same number of people have produced, even when surrounded by the most favorable circumstances, a sum which will nearly equal this amount in value, even should the character of the different products be ignored. A bushel of wheat produced by the labor of the farmer has for a time a labor of the farmer has for a time a certain value which may be estimated, but when that bushel of wheat has been consumed its value dies practically, and no longer exists as a factor of commercial transactions. An ounce of gold or silver taken from the mines by the miner, and placed in the channels of commercial activity, may perform its part as a measure of value over and over again for years, and as it cannot be destroyed it retains its value power as long as it anywhere exists, and never loses this characteristic of value.

C. S. Bigelow, J. F. Simms and W. R. Morris, partners under the firm name of Bigelow, Simus and Morris, plaintiffs, vs. The Astoria Gas Light Co., a corporation incorporated under the laws of Oregon, and J. E. Condict, defendants.

Suit in equity to foreclose Mechanics lien. Whereas a suit in equity has been commenced in the above entitled court, by the praintiffs above named, against the defendants above named, to foreclose a mechanic's lien against the gas works and the premises upon which they are situated belonging to the defendant the "Astoria Gas Light Company," and being and situate in Shively's City of Astoria, Clatsop County, Oregon, for judgment against said defendants for the sum of seven hundred and fifty (\$750) dollars: for the costs and disbursements of suit; that plaintiffs have a lien on said works, buildings and premises; that the same may be sold under decree of said court to satisfy and discharge said lien; that plaintiffs have execution against said defendant Condict for any deficiency remaining after said sale, and for such other and further relief as to equity may seem just.
