A Northern Pacific map, issued last month and circulated with advertise-ments of the company, is a little worse than the map we mentioned the other day. That did include Scattle, though the city was located on a wagon road back in the country, without rail connect tion of any kind whatever. This map and that if it were possible to controtion of any kind whatever. This map ture. He raises the question himself event in the history of American liberty dosen't even do that much for the town, but leaves it off altogether, with all three of its railroads. All other connections of the Northern Pacific Railroad, from Du-tuth to Tacoma. Wilkenson and Carbon. ure, commerce and common sense." Let us examine "Exporter's" figures: In the first place the *Ice King*, as she lies here ready for sea, draws 21 feet 8 inches. To mention such draught as that in connection with Portland provokes a in connection with Portland provokes a mile but this is "Exporter's" own illusat \$1.25, "Exporter" must be a recent marked, though in ordinary type. Though the grievance here is the severest, by reason of this being the largest town and being the terminus of at least threeroads included in the Northern Pacific system, Soattle has the melancholy satisfaction of not being the only considerable town slighted, as neither Astoria, Vancouver, aor Port Townsend are to be found upon the map. Other companies will place us on their maps, however, if the Northern Pacific will not, and in exemplification of what we say we may be excused for again referring to the Union Pacific map, which shows the railroad from here to Tacoma and the railroad to Newcistle, importation or he would know that the wheat can be brought from Portland here at a profit for fifty cents a ton, and that the fact that the O. R. & N. Co. charges business always reacts upon those guilty of its perpetration, and it will not be sur-prising if the Northern Pacific realizes the truth of this assertion at an earlier day than will be pleasant for it.—Scattle Post-Intelligencer. there: that it is a creation of his fancy. He must know that the rate of insurance is governed by the class-rating of the "Now, suppose," he goes blunderingly on, "that she had come to Portland." Oregon and other northeastern trade, and Now we have estimates in place of exaghave to look to sources nearer home for gerated statements. The tonnage and custom, they begin to appreciate the evil pilotage items are so little out of the way custom, they begin to appreciate the evil and desire a remedy. As to the magni-tade of the loss of business through the completion of the Northern Pacific rail-road, a large grocery jobber informs us that 35 to 40 per cent. of the wholesale grocery trade of this city was with Ore-gon, Washington, Idako and adjacent country, and that the completion of the Northern Pacific railroad had reduced the volume of that trade about 75 per ent. We do not know whether this is an sea, but the bills in the O. R. & N. Co.'s Celery, Ohves, Russian Salad, Pickles cent. We do not know whether this is an alogy suggests that if the *Imperial* paid over \$1,000 for lightsraps, a vessel of the PUDDING. English Plum, hard and Brandy Sauce over \$1,000 for lighterage, a vessel of the FRUIT. Filberts, English Walnuts, Raisins. Coffee, Tea and Chocolate. same build and tonnage would pay the same So that all through "Exporter's" article From 5 to 8 P. M. we find deliberate misstatements, exhib-Have you seen that magnificent French doll that is to be raffled at Carl Adler's iting either falsehood or ignorance. The only part of it that savors of knowledge Get a chance for your little girl. of the subject is where he concedes that Masonic Watch Charm Lost the Ice King saved money by londing at On December 18. Finder will leave it at Foard & Stokes, and get \$2.50 reward. Astoria, which is a good deal-for him. He caps the mendacity by calling his farrago of absurdity, "a tras comparison Best Custom Work, Boots and shoes, between the two ports."

the Kornern Fachic Kanroad, from Du-luth to Tacoma, Wilkenson and Carbon-ado, are properly placed, including even the narrow gauge to Olympia, with which the big company is said to be at war. Such cities as Tenino, Kalama and Uma-tilia stand out boldly in capital letters-citize of lase them 100 inhubitunt assh cities of less than 100 inhabitants each. to Seattle's 10,030-while the towns of Olequa, Oneonta, Juniper, Lind, Trent, tration. He figures 1,700 tons lighterage etc., that have yet to attain a population of 25 souls each, are equally distinctly marked, though in ordinary type. Though on their maps, however, if the Northern Pacific will not, and in exemplification of what we say we may be excused for again referring to the Union Pacific map, which shows the railroad from here to Tacoma and the railroad to Newcastle, as well as Scattle, Port Townsend, As-toria, Vancouver and almost every other town in the territory. This sort of petty business always reacts upon those guilty

Diminished Northern Trade.

So long as there was plenty of business' San Francisco merchants did not care to vessel notice this discrimination against them. But now that they have lost some of the been lost by that enterprise there can be no two opinions. A few months ago, three steamers every week failed to clean up all the freight shipped to Oregon and other northern points. Afterwards two steamers per week were found sufficient to meet the demands. Since the 15th of December a steamer every five does has to meet the demands. Since the 15th of December a steamer every five days has been fixed upon. It is customary, how-ever, to reduce this northern steamship service in the winter months, suid this, therefore, was in a measure expected. But it is feared that. Oregon will no longer purchase in this market.--S. F. Bulletin, 20.
