CERTAIN SHAMS. Swindlers and their Victims—How Careless People Suffer in Health and Pocket.

Every streak of sunshine creates a shadow, and behind every truth craves its corresponding lie. Whosoever has not been in some way fooled and robbed by swindlers and their works has had better luck than most mortals.

In fact the best witnesses to the value of a given article are the counterfeits and imitations which seek to share its success without possessing a fraction of its merit. Hence, it goes without saying that BENSON'S CAPSINE POROUS PLASTERS are pursued by a host of miserable and worthless imitators, eager to appropriate what they can of the fruits of its victories.

These leeches commonly take the form of a cheap plaster. Now, these harmless and worthless plasters would be detected in a minute if people were careful in reading and remembering names. But most people merely glance at them, understand partially and forget instantly. What result? This: Desiring to buy BENSON'S CAPSINE PLASTER, their own carelessness enables some storekeeper or druggist, who cares more for five or ten cents additional profit than for the sweets of an approving conscience, to roll them up instead some cheap imitation with a similar name. The deceit often works, while the fraudulent plasters never do.

Don't permit yourself to be thus victimized for lack of a moment's care. BENSON'S CAPSINE POROUS PLASTERS are here stood the test of science and experience and are the product of both. Examine the article and satisfy yourself that the word CAPSINE is cut in it.

Mr. and Mrs. Everett Robbins, Belchertown, Mass., writes: "My dear friend, I am afflicted with Scrofula, Salt Rheum and Eruptions ever since I was born, and nothing would give him help but until we tried CUTICURA REMEDIES, which gradually cured him, until he is now as fair as any child."
