Masses, Seaschy & Johnson, Gentlemen; -Like most of my profession, I am eautions about pinning my fai h to any new medicine or carative agent. But your HENARI'S Street, Astoria. Og BENSON'S CAPCINE POROUS PLASTER, has broken through the barriers and won its way to my good opimor. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson's was comparatively new to me. I had heard, however, of its merits as a remedy, in cases gia. Congestion of the Bronchial Tubes and Lungs, Dyspepsia, Torpid Liver and the like affections, and have since begun to ex periment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally clean-

y plaster to use, and rapid in its action Many tests of its qualities, made in my own family and among my patients have convinced me that there is no single article so valuable for popular use, nor so helpful in the diseases I have named. Should you desire to do so, you may use my

name to that effect. Very truly yours, d. H. KANE, A. M., M. D. The genuine have the word CAPCINE out in the center. Price 25 cents.
