MESSTS. SEABURY & JOHNSON, tlemen;-Like most of my pr am cautious about pinning my fai h to any new medicine or curative agent. But you BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won its way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson was comparatively new to me. I had heard however, of its merits as f remedy, in case of Lame Back, Local Rhoumatism, Neuralgia. Congestion of the Bronchial fubes and Lungs. Dyspepsia, Torpid Liver and the like affections, and have since bogun to experiment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally clear ly plaster to use, and rapid in its action. Many tests of its qualities, m-de in my own family and among my patients have convinced me that there is no stagle article so valu-

able for popular use, nor so helpful in the diseases I have named. Should you desire to do so, you may use my sme to that effect.

Very truly yours, H. H. KANE, A. M., M. D. The genuine have the word CAPCINE cut in the center. Price 25 cents. Secury & Johnson, Chemists, New York.
