MESSES. SEABURY & JOHNSON, Gentlemen; -- Like most of my profession, I am cautious about pinning my fai h to any new medicine or curative agent. But your BENSON'S CAPCINE PORGUS PLASTER. has broken through the barriers and won its way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acuninted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson was comparatively new to me. I had heard. bowever, of its merits as a remedy, in case of Lame Back, Local Kheumatism, Neural-gia. Congestion of the Bronchial Tubes and Lungs. Dyspepsia, Torpid Liver and the like affections, and have since begun to experi-ment with it personally. I find BENSON'S CAPCINE PLAST . R an exceptionally cleanplaster to use, and rapid in its action Many tests of its qualities, mr de in my ow family and among my patients have convinc-

ed me that there is no single article so valuable for popular use, nor so helpful in the iseases I have named. Should you desire to do so, you may use my ame to that effect.

Very truly yours, H. H. KANE, A. M., M. D. The genuine have the word CAPCINE cut in the center. Price 25 cents. Seabury & Johnson, Chemists, New York,
