MESSTS. STABURY & JOHNSON, Gentlemen: - Like most of my profession, I am eautious about pinning my fai h to any new medicine or curative agent. But your BENSON'S CAPCINE POROUS PLASTER, has broken through the barriers and won its way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson was comparatively new to me. I had heard, however, of its merits as a remedy, in case of Lame Back, Local Rheumatism, Neural-CELEBRATED TABER ORGANS. Cigars, Tobacco and Cigarettes gia. Congestion of the Bronehial Tubes and Lungs, Dyspepsia, Torpid Liver and the like affections, and have since begun to experiment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally cleanly plaster to use, and rapid in its action-Many tests of its qualities, made in my own

family and among my patients have convinc-ed me that there is no single article so valuable for popular use, nor so helpful in the diseases I have named. Should you desire to do so, you may use my
