patch says the result seems to be that the One paper at least has reached the speculators have come to grief, and the public without bearing that legendary inscription, "entered at the postoffice as financial atmosphere is much cleared. second-class matter." Its title is Ocean Chronicle, and it was printed at sea on board the Frank Pendleton, now disboard the Frank Pendleton, now dis-charging cargo at Victoria. During the long voyage from Yokohama, Captain Nichols, the master, who is a practical printer, issued a number of copies from the press and types he had on board. The paper contains the log, incidents of the voyage, and miscellaneous matter of interest. Captain Nichols opens a bril-liant field to enterprising publishers. Why should not the great passenger steamers be favored with a daily edition of the Tempestuous Billow or the New Northwester, as a means of entertain-Northwester, as a means of entertain-ment between the qualms of sensickness. -Ledger.

#### Short Long Hand.

Prof. H. Gamble suggests a form of abbreviated long hand, and does so in these words: By the application of seven simple rules a large part of the labor, time, and vexation of the pen-user is Kite saved, also the reader's time, for when words r (are) abbreviated the eye can taken in more at a glance. Letters standing alone, as u for you, r more legible than words. We easily read the a & I of the worst scribe, because the form of the letter is not changed by joining with others. This is why ordinary print is so much plainer than even engraved script. The average perman writing seven hours a d.y writes "tie" 700 times, & sev-

president of the Central Pacific, stated emphatically to a representative of the associated press, that it would have none; that neither the Central nor the Southern Pacific was or could be involved with the suspended firm. Bank managers were interviewed, and all said: "We are inter-seted but univolved emetators of the

The Times thinks there "is nothing in the business and industrial situation of the country to justify serious apprehen-sion. The failure of a dozen, more or less, disguised gambling shops and their backers, in New York, is not in itself a back under easy canvass to the shelter-ing shore of San Francisco. A brisk breaze from the southwest and a cloud of smoke from a burning chim-ney sesterday was a reminder that the season is again at hand when the utmost care is necessary in relation to fire. The ladies' Relief Corps of Astoria, will be inaugurated next week, as Cushing Belief Corps, No. 4, G. A. R., who intend to give a ball on July 4th, 1884. C. H. Brooks, agent for Harris' worll renowned nickel-plate show, and the ad-their tent here on the 27th and 28th and give three first-class performances. The Norwegian residents of Astoria and vicinity colebrate the serentieth and vicinity colebrate the serentieth and give three first-class performances. The Norwegian residents of the consti-tion of their native country, at the premises of the Pacific Union Pacific, stated monster kite. Its owners are among the nore subtantial and scientific resi-tents of the Wang Toon Ki association.

The excitement caused much of the trouble; hence the burden of advice given by the press and good authority is to keep cool. In response to dispatches sent to nearly every city of the country and Canada there comes a uniform reply, both from the people and the newspapers, that the New York excitament is not shared in at all, but the feeling at other points is simply one of interest or curiosity or close watchfulness. The best

grand lodge next week.

The question is asked: "What becomes of all the old rubber boots that are worn out in Astoria every season?" It is hard-

scription list in his absence. The Oregon Pacific's Yaquina has ar-rived at San Francisco. Col. Hogg says able to build from profits made by abled to build from profits made by aborting Villard stocks isst winter. She draws 15% feet this trip and the Colonel anticipates profitable freight and passen-ger traffic for her between Yaquina and San Francisco. out during the year.

San Francisco. The river craft that ply these waters have got around that treasury edict re-garding the prohibition of passengers in "the pilot house" by building a separate compartment for the man at the wheel. It was a ridiculous order and will proh-ably be rescinded. The only effect it has had on the most of the boats is to give masters annoyance and carpenters a job. "them have hear livelier in Asteria

Times have been livelier in Astoria, and will be. All over the northwest is a period of dullness. We are better off to-day and less affected than nineteen-twantieths of the dwellers in Oregon and Washington Territory, and have for sev-eral reasons much cause for self-gratula-tion. Only, the season can't be crowded. Everything will come out right before the summet is over.

The curtain rose at half past eight last crowing on a fairly filled house, to wit-mess the first appearance in Astoria of the emotional actress Phosa McAllister and her company. Gilbert has written a good many funny things but "Engaged" is as fanny as any of them and the com-pany that appeared at Occidental hall last evening brought out all the fun there was in it. Miss McAllister has a spright-by figure, a clear resonant voice and makes a good stage appearance. She is well supported and descress a good house at the two performances to-day—"Arrahwall supported and deserves a good house at the two performances to-day—"Arrah-Na-Pogue" at the matinee, and "Cynthia" to-night.

#### Something New.

Joe Schlitz's celebrated Milwaukee beer on Draught, at Aug. Danielson's sample rooms. On Ice and drawn from the wood, fresh and sparkling.
