Gentlemen: -Like most of my profession, I am cautious about pluning my faith to any new medicine or curative agent. But your BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won its way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson's was comparatively new to me. I had heard, however, of its merits as a remedy, in cases of Lame Back, Local Rheumatism, Neural-gia. Congestion of the Bronchial Tubes and Lungs. Dyspepsia, Torpid Liver and the like affections, and have since begun to experiment with it personally.
