Having Admitted the Strength o the Evidence a Prominent Physician takes Logical Action.

The following letter tells its own story. The signature will be recognized as that of the Physician-in-Chief of the De Quincy Home, and author of "Drugs That Enslave," "The Hypodermic Injection of Morphine," A Manual of Nursing," and many other popular and valuable special medical works:

191 WEST TESTH STREET, \ NEW YORK, August 11, 1880. }

MESSTS. SEABURY & JOHNSON, Gentlemen;-Like most of my pr am cautious about pinning my faith to any new medicine or curative agent. But your BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won its way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson's was ecoparatively new to me. I had heard however, of its merits as a remedy, in cases of Lame Back, Local Rheumatism. Neural-gia. Congestion of the Bronchial Tubes and Lungs. Dyspepsia, Torpid Liver and the like ons, and have since begun to experiment with it personally. I find BENSON'S
CAPCINE PLASTER an exceptionally clean

POSITIVE CURE FOR EVERY FORMOR SKIN And BLOOD DISEASE

Pimples to Scrofula THOUSANDS OF LETTERS in our possession repeat this story: I have been a terrible sufferer for years with Blood and Skin Humors; have been obliged to shun public places by reason of my disfiguring humors; have had the best physicians; have epent hundreds of dollars and got no real relief until I used the CUTICURA RESOLVENT, the bew Blood Furifier, internally, and CUTICURA and CUTICURA SOAP, the Great Skin Cures and Skin Beautifiers, externally, which have cured me and left my skin and blood as pure as a child's.

ALMOST INCREDIBLE.

James E. Richardson, Custom House, New Orienns, on oath, says .—In 1870 Seroiulouts Ulcers broke out on my body until I was a mass of corruption. Everything known to the medical faculty was tried in vain. I became a mere wreck. At times could not lift my hands to my head, could not turn in bed; was in constant pain, and looked upon life as a curse. No relief or cure for 10 years. In 1880 I heard of the CuTICURA REMEDISS, used them and was perfectly cured.

STILL MORE SO.

Will M-Benald, 2542 Dearborn Street, Chicago, gratefully acknowledges a cure of Eczema, or Salt Rheum, on head, neck, face, arms and legs for seventeen years; not able to move, except on hands and knees; for one year; not able to help himself for eight years; trued hundreds of remedies; doctors pronounced his case hopeless. Permanently cured by the CUTICURA REMEDIES.

MORE WONDERFUL YET.

M. E. Carpenter, Henderson, N. Y., cured of Psoriasis or Leprosy of twenty years standing, by Cutticura Remedies. The most wonderful cure on record. A dustpanful of scales tell from him daily. Physicians and his friends thought he must die. Cure aworn to before a Justice of the Peace and Henderson's most prominent citizens.

A church was lately built at Lagas, on the main line of the Mexican Central Railroad, and when finished the fathers were annoyed to find that a big hole, from which the clay for the adobes used in constructing the edifice had been excavated, remained directly in front of the main entrance.
