and social structure of Mormondom.

Paris, July 28-Figuro to-day states that Hartmann, the notorious nihilist, implicated in the assassination of the czar Alexanber II, has committed suicide. He was starving, and ended his misery by taking poi son. No one man has been more prominent in revolutionary affairs on the continent than Leo N. Hartmann Years ago he was associated with an The London Fisheries Exhibition international movement led by Carl Marx, and supported by Carl Klinst Later he was a secret agent of the German socialists, and still later an active participant in the nihilist cam-paign of Russia. Fabulous prices have at times been set on his head, but he seemed to possess a charmed life. "I shall never die the death of a revolutionary patriot," he frequently boasted, "but I must come to it for want of bread." His words were pro

Parts, July 28.—The Figuro has a bitter article declaring that England never helped but always thwarted France. Her friendship has been false and the alliance with her a hollow The Figuro advises France to abandon relations with England, give up her prejudices and hatred and make an alliance with Germany. Germany was an honest enemy. She had been an honest ally.

To captivate the popular taste and surpass all previous efforts to please the palate, requires no small amount of knowledge and no little skill, and when we remember that the very agreeable liquid fruit remedy, Syrup of Figs, is as beneficial to the system, as it is acceptable to the stomach, we readily un-derstand why it is the universal favor-ite as a cure for Habitual Consumption and other ills arising from a weakness, or inactive condition of the Bowels, Kid neys, Liver and Stomach. New York, July 28.—Herald editorial: "A party of capitalists are negotiating for the purchase of a large tract of land in Utah—between 100,000 and 200,000 acres—to be applied to the purpose of founding a self supporting Irish colony. Such a plan, if judiciously carried out, could not fail to be a powerful factor in demoralizing the Mormon community. It would be fighting fire with fire, for it would be difficult to imagine two more utterly antagonistic ideas than the Roman Catholic church and Mormonism. The Irish colony, it is contemplated, will not be far from Salt Lake, where it would very soon compete with the Mormons in everything that makes the Mormons prosperous, while rapidly increasing a moral force which would tend to overturn the whole political, religious and social structure of Mormondom."

MESSTS, SEABURY & JOHNSON, Gentlemen;-Like most of my profession, I am cautious about pinning my faith to any new medicine or curative agent. But your BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won its way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson's was comparatively new to me. I had heard, however, of its merits as a remedy, in cases of Lame Back, Local Bhoumatism, Neuralgia. Congestion of the Bronchial Tubes and Lungs, Dyspepsia, Torpid Liver and the like affections, and have since begun to experiment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally clean-

ly plaster to use, and rapid in its action. Many tests of its qualities, made in my own family and among my patients have convinc-ed me that there is no single article so valuable for popular use, nor so helpful in the

diseases I have named. Should you desire to do so, you may use my name to that effect. Very traly yours.
