An Ancient Anecdote That is Too Good to be Retired.

At a station on a western road a passenger boarded the train having among other light parcels a box about two feet square perforated with holes as if to afford air to some small animal which it contained. The curiosity of a fellow passenger was at once excited to know what sort of an animal it was.

"Got a badger there?" said he.

"No."

"Perhaps a coon?"

"No."

"Oh, maybe a ferret?"

"No."

"Nor a fox?"

"No."

"Well, then, may I ask what kind of an animal it is?"

"Oh, yes; there's no secret about it; it's a mongoose."

"Um—a mongoose! Well, that's an animal I never heard of before. Pray, what is a mongoose?"

"Why, a mongoose is a—well, you know when a man has the delirium tremens he sees all sorts of snakes and lizards and things—don't you?"

"Yes, I've heard so."

"Well, a mongoose is an animal that lives on those things—just eats 'em up."

"Is that so?" said the inquirer. "Well, that is funny;" and he subsided for a moment, apparently satisfied with the explanation.

Suddenly a thought seemed to strike him. "But," said he, "the snakes and lizards that a man sees when he has the delirium tremens ain't real snakes and lizards?"

"Of course not," returned the other, unabashed, "and this ain't a real mongoose.—*Exchange.*

Woman's Rights in China.

The question of woman's rights in China seems to turn entirely on their ability to assert them, the Chinese woman being less self-assertive than her Western world sister. Now and then, however, she does stand upon her rights and comes off victorious. A citizen of Foochow finding his wife unfaithful, prepared to kill her—a course which the law sanctions in China. But his wife was too quick for him and instead of allowing herself to be killed by her husband she killed him. This is a right of a woman recognized by the court whenever she succeeds in exercising it. The Foochow woman was therefore dismissed, but received a reprimand for not having immediately informed the authorities that her husband was ready for burial, in order that they might have had him interred before the body became a nuisance in the neighborhood.

PILES! PILES! PILES!

A SURE CURE FOUND AT LAST!

NO ONE NEED SUFFER.

A sure cure for Blind, Bleeding Itching and Ulcerated Piles has been discovered by Dr. Williams (an Indian Remedy,) called Dr. William's Indian Pile Ointment. A single box has cured the worst chronic cases of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions instruments and electuaries do more harm than good. William's Indian Pile Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed,) acts as a poultice, gives instant relief, and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffinberry of Cleveland says about Dr. William's Indian Pile Ointment: I have used scores of Pile Cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment.

Hon. Judge W. P. Coons, Maysville, Ky., says: "I have suffered for years with itching piles, and have used many remedies. I have used Dr. William's Indian Pile Ointment and been *cured* while every other remedy has failed." For sale by all druggists and mailed on receipt of price, $1.00. FRAZIER MEDICINE CO., Proprietors, CLEVELAND, O.

His Success

Financially and socially are largely due to his excellent health. If his system were clogged and feverish, no doubt he would fail as so many others do. But why not enjoy good health when one can please the palate at the same time? Syrup of Figs is not only pleasant to the taste, it also cleanses the system thoroughly, yet painlessly; it is harmless in its nature, and strengthens the organs on which it acts so that regular habits may be formed, and the sufferer permanently restored to health and happiness. Sample bottles free and large bottles for sale by W. E. Dement & Co.

MESSRS. SEABURY & JOHNSON,

Gentlemen:—Like most of my profession, I am cautious about pinning my faith to any new medicine or curative agent. But your BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won its way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson's was comparatively new to me. I had heard, however, of its merits as a remedy, in cases of Lame Back, Local Rheumatism, Neuralgia, Congestion of the Bronchial Tubes and Lungs, Dyspepsia, Torpid Liver and the like affections, and have since begun to experiment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally cleanly plaster to use, and rapid in its action.

Many tests of its qualities, made in my own family and among my patients have convinced me that there is no single article so valuable for popular use, nor so helpful in the diseases I have named.

Should you desire to do so, you may use my name to that effect.

Very truly yours,
H. H. KANE, A. M., M. D.

The genuine have the word CAPCINE cut in the center. Price 25 cents.
