BABY HUMORS.

"See what Cuticura does for me." "Henriette" "Andromeda" "The gods forfend, but this, though form and speech attest it, is surely not the classic face whereunto me lips do sometimes move with am'rous purpose"

"Now, be me sire's crest, thou't dazing me. Why this, thy dial's front, belikes the pattern of some crazy quilt, or semblance the focus of some blasted sweetmeat mine where jellies multiple had met in mixed carousal."

"I like thy smiles, fair maid, exceeding well. They dove-tail nicely with results that do attest me mild indulgence in that rustic realm whose patron was the Duke of Huckleberry. 'Twas but a friendly joust; a match whereat—"

"Aye, surely 'twere a match! The lurid lightning of thy frontispiece doth the prospect dim."

"Tush thee, thou prattler! 'Twere a match, I say, whereat both friendly rivalry and manly culture did meet—"

"That something's met, thy countenance gives ample proof, and that they met as meet two topping towers, e'en so it testifies."

"Why, girl, soft as thy downy pillow were the gloves we wore."

"And soft yet this wreck of facial pulp wherewith thou grestest me. Hadst thou been bathing in an abator thou couldst not glimmer with such bright veneer."

"And yet me every feature answers to the roll. But, hadst thou seen me rival, gentle one, ah! there were ruin worth thy studious gaze."

"One hair hanging pendant by a filmy thread, his dental parts encased his throat, on either cheek his nasal wings flapped 't the gory air, and through the other facial rim preed bones that did of dexterous fracture hint. Ah! 'twere a dainty picture, dame, and breathed sweet tribute to the 'manly art.'—Tonkers Gazette."

Mamma—It is very wrong in you, Johnny, to quarrel in this way. Johnny (who has just had a fight with his brother Tom)—Well, I got mad and had to do something.

Mamma—But you should not let your temper carry you away in that manner. I will tell a good rule: When you are angry always count twenty before you strike.

Johnny (the victor in the recent unpleasantness)—Yes, and he'd better count forty before he strikes a fellow that can lick him.

R. Dunsuir, of Victoria, has attached the hull of the *Unatilla* for \$50,000 on a claim for salvage. Counter-claims are to be entered by the underwriters against the salvors for not beaching the vessel when they knew the wreck was leaking.

After eating nearly two quarts of ice cream at a church fair at Satauket, Suffolk county, N. Y., James Gormley dropped dead. His death was ascribed to heart disease.

PILES! PILES! PILES! A SURE CURE FOUND AT LAST! NO ONE NEEDSUFFER.

A sure cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. Williams (an Indian Remedy) called Dr. Williams' Indian Pile Ointment. A single box has cured the worst chronic cases of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electrocures do more harm than good. Williams' Indian Pile Ointment absorbs the tumors, always the intense itching, (particularly at night) and getting warm in bed.) acts as a poultice, gives instant relief, and is prepared only for Piles, itching and the private parts, and for nothing else.

Read what the Hon. J. M. Coffinberry of Cleveland says about Dr. Williams' Indian Pile Ointment: I have used scores of Pile Cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. Williams' Indian Ointment.

Hon. Judge W. P. Coons, Maysville, Ky., says: "I have suffered for years with itching piles, and have used many remedies. I have used Dr. Williams' Indian Pile Ointment and been cured while every other remedy has failed." For sale by all druggists and the best of prices, \$1.00. FRAZIER MEDICINE CO., Proprietors, CLEVELAND, O.

Its Wonderful Efficacy. No remedy ever discovered possesses the wonderful efficacy of Strych of Piles. The certainty with which it expels all impurities from the system, at the same time giving tone to the Liver, Stomach, and Bowels, places it ahead of all other remedies, to say nothing of its being more easily taken. It is selling very rapidly. W. E. Dement & Co. are agents for Astoria.
