### IS THE TIME TO CURE SKIN HUMORS.

IT is at this season when the Pores open freely and the Personation is abundant that Disfiguring Humors, Humiliating Eruptions, Inching, Tortures, Salt Rheum or Eczema, Psoriasis, Tetter, Ringworm, Baby Humors, Scrofula, Scrofulous Sores, Abscesses, and dischargi g Wounds, and eve y species of Itching, Scaly, and Pinnly Diseases of the Skin and Scalp are most speedily and economically cured by the Cutteura Remedies.

### IT IS A FACT.

Hundreds of letters in our possession (copies of which may be had by return mail) are our authority for the assertion that Skin, Scalp, and Blood Humors, whether Serofulous, inherited or Contagious, may NOW be permanently cured by Cuticuaa Resolvent, the new Blood Purifier, internally, and Cuticuaa and Cuticuaa Soar, the great Skin Cures and Beautifiers, externally, in one half the time and at one half the expense of any other season.

## GREATEST ON EARTH.

Coticura Rementes are the greate t medicines on earth. Had the worst case Salt Rheum in this country. My mother had it twenty years, and in fact died from it. I believe Cuticura would have saved her life. My arms, breast and head were covered for three years, which nothing reliaved or cured until I used the Cuticura Resolviert, internally, and Cuticura and Cuticura Soar, externally.

J. W. ADAMS, Newark, O.

# GREAT BLOOD MEDICINES.

The half has not been told as to the great curative powers of the CUTICURA RENEDIES. I have paid hundreds of dollars for medicines to cure diseases of the blood and skin, and never found anything yet to equal the CUTICURA RENEDIES.

is a quantity of diamonds and other precious stones, which have a queer Indeed the facts relating to some of them are scarcely known, and their history is a matter of tradition. Their value is variously estimated at from \$50,000 to \$100,000. There is a bottle four or five inches long filled with glistening diamonds, and, beside these, a large number of separate stones of various kinds, some of them set in beautiful gold ornaments, in-tended for personal wear. Most of them have been in the custody of the treasury officials for forty-five years. They were sent to President Van Bu-ren in 1839 by the Imam of Muscat, a country in Asia as a testimonial in recognition of some service to the country by his administration. Just what it was nobody appears to know. Van Buren could not accept them for himself, although it was the desire of the donor that he should do so, by reason of the clause in the constitution, which forbids any person connected with the government accept-ing any present or decoration from any foreign power or potentate. The entire collection has accumulated in a similar way. Other presents were sent to government officers by kings and princes who had not read the con-stitution of the United States, and nothing could be done with them except to stow them away in the vault. They do not have any definite owners and they bear about the same relaand they bear about the same rela-tion to the government that unclaim-ed packages do to an express com-pany. The man in charge of the bond room said he was going to make another effort to have congress do something with them, though he has little hope that he will succed. Dyspepsia, Torpid Liver and the like affections, and have since begun to experiment with it personally.
