#### His Success

His Success Financially and socially are largely due to his excellent health. If his system were clogged and feverish, no doubt he would fail as so many others do. But why not enjoy good health when one can please the palate at the same time? Syrup of Figs is not only pleasant to the taste, it also eleanses the system thoroughly, yet painlessly; it is harm-less in its nature, and strengthens the organs on which it acts so that regular haoits may be formed, and the sufferer permanently restored to health and happiness.
