Joseph A. Riddle, the East Portland saloon keeper who accomplished the ruin of Miss Rosa Lent, afterwards procuring for her an abortion. obtained a license yesterday from the county clerk to marry the girl. This tardy justice was brought about by the grand jury indicting Riddle for seduction and manslaughter. The evidence in both cases was sufficient to convict him, and several years in the penitentiary stared him in the face. There was but one way escape. Make the girl his wife and she could not testify against him, according to the law. The offer was made to the poor voung woman, who gladly accured it, even after all her wrongs and sufferings. She is not to be blamed, but it is a pity that such a seconderl as the man who has at last become her husband escapes his just punishment. - Oregonian, 19.

A disagreeable task has been taken from Sheriff Jordan's hands. Lee Sang, the Chinese murderer, confined in the county jail under sentence of death, naticipated the law and cheat-ed the law by hanging himself in his cell yesterday morning. He tore his shirt into strips and manufactured a rope, fastened it to the top of his bunk and then around his neck, stood up on the water bucket, kicked it out from under himself and then died, evidently of slow strangulation.-Oregonian, 19.

191 WEST TENTH STREET,) NEW YORK, August 11, 1880.)

MESSIS. SEASURY & JOHNSON, Gentlemen; - Like most of my profession, I am cautious about pinning my faith to any ew medicine or curative agent. But your BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won its way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson's was comparatively new to me. I had heard, however, of its merits as a remedy, in cases of Lame Back, Local Rheumatism, Neuralgia. Congestion of the Bronchial Tubes and Lungs, Dyspepsia, Torpid Liver and the like affections, and have since begun to experiment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally cleanv plaster to use, and rapid in its action.

Many tests of its qualities, made in my own family and among my patients have convinced me that there is no single article so valuable for popular use, nor so helpful in the diseases I have named. Should you desire to do so, you may uso my name to that effect.
