191 WEST TENTH STREET, | New York, August 11, 1880. |

MESSIS. SEABURY & JOHNSON. Gentlemen; -Like most of my profession, I am cautious about pinning my faith to any new medicine or curative agent. But your BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won its way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of your other plaster and antiseptic dressing, made especially for the profession, the Benson was exmparatively new to me. I had heard however, of its merits as a remedy, in case of Lame Back, Local Rheumatism, Neural-gia. Congestion of the Bronchial Tubes and Lungs, Dyspepsia, Torpid Liver and the like affections, and have since begun to experi-ment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally clean ly plaster to use, and rapid in its action Many tests of its qualities, made in my ow family and among my patients have convinc-

ed me that there is no single article so valu able for popular use, nor so helpful in the diseases I have named. Should you desire to do so, you may use my name to that effect.

Very truly yours. H. H. KANE, A. M., M. D. The genuine have the word CAPCINE out in the center. Price 25 cents. Senbury & Johnson, Chemists, New York.
