A student of history has discovered that false teeth were quite common among the ancients, and this gives rise to the horrible suspicion that Cleopatra had some.

The Indians of British Columbia are rapidly acquiring the opium habit. What with whiskey and opium, the Indian question ought to be settled in short order.—Boston Transcript.

Will McDonald, 2542 Dearborn St., Chicago, gratefully acknowledges a cure of Salt Rheum on head, neck, face, arms, and legs for seventeen years; not able to walk except on hands and knees for one year; not able to belp himself for eight years; tried hundreds of remedies; doctors pronounced his case hopeless; permanently cured by CUTICURA RESOLVENY (blood purifier) internally, and CUTICURA and CUTICURA SOAP (the great akin cures) externally.

Chas. Houghton, Faq., law er. N. State Street, Boston, reports a case of Salt Rheum under his observation for ten years, which evered the patient's body and limbs, and to which all known methods of treatment had been applied without benefit, which was completely cured solely by the CUTICUL RESIDENCE, leaving a clean and healthy skin.

F. H. Drake, Esq., Detroit, Mich., suffered untold tortures from Salt Eheum, which appeared on his hands, head and face, and nearly destroyed his eyes. After the most careful doctoring and a consultation of physicians failed to relieve him, he used the CUTICURA REMEDIES, and was sured, and has remained so to date.

Mr. John Thiel. Wilkesbarrer, I'a., writes:

—I have suffered from Salt libeum for over eight years, at times so bad that I could not attend to my business for weeks at a time. Three boxes of CUTICURA, and four hottles RESOLVENT, have entirely cured me of this dreodful disease.

Financially and socially are largely due to his excellent health. If his system were clogged and feverish, no doubt he would fail as so many others do. 191 WEST TENTH STERRY, New York, August 11, 1880.

MESSTS. SEABURY & JOHNSON. Gentlemen:-Like most of my profession, I am cautious about pinning my faith to any new medicine or curative agent. But your BENSON'S CAPCINE POROUS PLASTER has broken through the barriers and won it way to my good opinion. My attention was first called to it some eight months ago by a patient of mine Although I was well acquainted with the superior excellence of you other plaster and antiseptic dressing, made especially for the profession, the Benson' was comparatively new to me. I had heard however, of its merits as a remedy, in cases of Lame Back, Local Rheumatism, Neural-gia. Congestion of the Bronchial Tubes and Lungs, Dyspepsia, Torpid Liver and the like affections, and have since begun to experi ment with it personally. I find BENSON'S CAPCINE PLASTER an exceptionally clean ly plaster to use, and rapid in its action.

Many tests of its qualities, made in my own family and among my patients have convince ed me that there is no single article so valu able for popular use, nor so helpful in the diseases I have named. Should you desire to do se, you may use my name to that effect.
