BROWN'S IRON BITTERS

THE BEST TONIC.

PHYSICIANS AND DRUGGISTS RECOMMEND IT.

This medicine, combining iron with pure vegetable tonics, quickly and effectively cures Dyspepsia, Indigestion, Weakness, Impure Blood, Malaria, Chills and Fevers, and Neuralgia in all its forms. It is an unrivaled remedy for Diseases of the Kidneys and Liver. It is invaluable for Diseases peculiar to Women, and all who lead sedentary lives. It does not injure the teeth, cause headache or produce constipation—after free medicines do. It enriches and purifies the blood, stimulates the appetite, aids the assimilation of food, relieves heartburn and belching, and strengthens the muscles and nerves. For Intermitting Fevers, Lassitude, Lack of Energy, etc., it has no equal. The genuine has above trade mark and crossed red lines on wrapper. Take no other. Solely by BROWN'S CHEMICAL CO., BALTIMORE, MD. HEDINGTON, WOODBARD & CO., Portland, Or. WHOLESALE AGENTS.

TUTT'S PILLS

TORPID BOWELS, DISORDERED LIVER, and MALARIA.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: Loss of Appetite, Bowels costive, Sick Headache, Fatigue after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, A feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION, and demand the use of a remedy that acts directly on the Liver. As a Liver medicine, TUTT'S PILLS have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three scavengers of the system, producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. TUTT'S PILLS cause no nausea or griping nor interfere with daily work and are a perfect ANTIDOTE TO MALARIA. Sold everywhere. Office 11 Murray St., N. Y.

AFTER THE BATTLE.

PHILADELPHIA, Nov. 25.—The Times has two columns of Augusta specials on Blaine's home life. They declare positively that Blaine did not want the presidential nomination. This is attested by his neighbors. It oppressed him more than most people will ever be able to understand. He almost faltered in the presence of the great responsibility thrust upon him. He had not expected that the use of his name in the convention, which he had permitted in order to defeat Edmunds and Arthur, could result in his nomination. Instead of controlling the convention for some one else, as he had anticipated, that body controlled itself for him, and he found himself with a jewel that he did not want.

In a few days Blaine's family will go to Washington for the winter, simply following his rule of the last twenty years. There they will follow their customary habits of life, and receive and be received as though they had suffered no disappointments. Eye would not yield unless compelled to, and it would have kept Blaine busy to beat him if he tried. There is a general feeling that the matter can be arranged to accommodate all statesmen. The Times' special says that Blaine's antagonism to Edmunds and Arthur grows out of the latter's reflection upon his South American policy, and his efforts to get Conkling returned to the senate after he had resigned. He had hoped to be secretary of state with Arthur's successor. Edmunds helped to take a part of New England from him, twice, when Blaine had been within a shadow of the nomination of the presidency.

The Scourge in the South.

LYNCHBURG, Va., Nov. 25.—The following is from a well-known preacher in the southwest of Virginia: "Latest advices concerning the epidemic in Wise, Lee, Dickinson and Buchanan counties are heartrending. On Quest's river, Wise county, within a radius of four miles, are thirty cases of disease. In one instance a father, mother and six children died. Many persons die for want of attention. Business is suspended, all being concerned with sick and dying. Six persons were buried in one graveyard in one day. The disease is assuming a milder form in some localities. Not less than 175 of the best citizens of Wise county alone have died during the last few days. The disease has made its appearance in Lee county, and several deaths have occurred. More worthy people never called more loudly for relief than these. They need nurses, medicines and a committee of intelligent physicians to diagnose the disease and stop its terrible march."

Always on the Whipped Side.

It is reported on the best of authority that an old farmer residing near Brownsville, this county, called his three grown sons together on the morning of election day and spoke as follows: "Now, boys, ever since you have been of age you voted the Democratic ticket. All my life I voted the Democratic ticket. For twenty-four years I have been licked on the presidential question, and every time you voted for president you were also whipped. Now, I am 80 years of age, and this no doubt will be my last vote at a presidential election. Now, if it suits you, and in your eyes is good, suppose all four of us vote the Republican ticket, and so instead of being again licked, why, we will be at last on the winning side. I would like to have the satisfaction of being on the big heap at my last vote anyhow." The sons to humor the old man, agreed to his proposition, and that township made a gain of eight votes for Blaine. At last accounts the old man was extremely down-hearted.—Reading Eagle.

Scott's Emulsion of Pure Cod Liver Oil, with Hypophosphites.

Very Palatable and Efficacious in Wasting Diseases.—Dr. C. T. BROOKS, Rochester, N. Y., says: "After having used Scott's Emulsion with decided benefit upon myself, I have taken great pleasure in recommending it since in the various conditions of wasting in which it is indicated."

New York, Nov. 25.—A special from Washington says: There are two views among Democrats as to whether Hendricks is going to be something more than former vice-presidents have been. Democrats coming from the west and south especially have this impression, on account of Hendricks' experience and Cleveland's inexperience, and they look to the former as the proper cabinet-maker.

Shiloh's Catarrh Remedy—a positive cure for Catarrh, Diphtheria and Canker Mouth. Sold by W. E. Dement.

Completion of the Oregon Short Line.

HUNTINGTON, Nov. 25.—About 300 people gathered at the junction of the Oregon Short Line and the O. R. & N. this afternoon, with fine weather and a clear sky. At 3:30 Henry B. Thielsen, chief engineer of the O. R. & N., set the spike, and E. C. Smeed, assistant chief engineer of the Union Pacific railway, struck the first blow, after which Dr. Keene, H. S. Rowe, R. M. Steel, Senator Slater and others drove it home. Three cheers were given for the Oregon Short Line and three more for the O. R. & N. The train ran down over the top to the Snake river bridge, built of steel and a magnificent structure, after which all started back to Portland. The first passengers through for the east by this line were Senator James H. Slater and daughter, Jasper Babcock and J. M. Goodwin. The Salt Lake road is fully ballasted from Huntington to Weiser, and they expect to make good time. There was fine weather all day, and everybody is in good spirits.

The O. R. & N. road from Umattila to Huntington is undoubtedly the best constructed line of new track on the Pacific coast, if not in the United States. Through freight will be received at Portland and Omaha, commencing to-morrow. Passenger service will be inaugurated Monday, December 1.

Curious Technicality in West Virginia.

NEW YORK, Nov. 25.—It is said a curious technicality has arisen in West Virginia, which may change the state government and possibly give the electoral vote of the state to Blaine. At the October election a constitutional amendment was adopted, changing the election of state officers from October to November. A number of prohibitionists immediately put a ticket for state officers in the field. It also bore the names of the Republican presidential electors, and in the fourth district the name of the Republican candidate for congress. At the November election about 15,000 of these votes were cast, and 500 in the Fourth district. These were thrown out, electing the Democratic candidate by 104 majority. A recount is called for, which it is said will elect the Republican congressional candidate and probably the Republican electoral ticket.

The Pursuit of Binder.

Up to a late hour this morning nothing had been heard of John Binder, the man who shot Hans Koch at Albina last Sunday morning. Sheriff Jordan went to The Dalles on Tuesday in response to a telegram from Sheriff Crossin there, who had arrested a man who answered Binder's description. Sheriff Jordan was expected back last night, but up to 1 o'clock this morning had failed to put in an appearance. Koch, Binder's victim, was resting a little easier yesterday, but the chances of his ultimate recovery are exceedingly slim.—News, 26th.

Two Coldest Places.

NEW YORK, Nov. 25.—The two coldest places in North America, from which the United States signal bureau received reports to-day, are Mt. Washington, 14 degrees below zero, and Fort Garry, 9 degrees below.

Destructive Fires.

QUEBEC, Nov. 25.—The fires which took place between Frigate point and Little Cove were very disastrous in their effect on the condition of the fishermen. It is stated many families are in utter destitution.

Cremation.

LANCASTER, Pa., Nov. 25.—The second crematorium in the country was dedicated here to-day. The body of Christian Bealer, of Jersey City, was successfully incinerated.

A Minneapolis Mother.

Many a mother will read with interest what Mrs. McCurdy, of 907 Cedar Avenue, Minneapolis, says: "Since an attack of diphtheria, a year ago, I have been troubled greatly with indigestion, which no doctor's medicine would help. I began using Brown's Iron Bitters two months ago, and it acted like a charm, gave me such an appetite I was hungry all the time. I consider myself well, and recommend my friends to use it. Shall also use it when my children are ailing."

Stealing Ballot Boxes.

INDIANAPOLIS, Nov. 25.—It was discovered to-day that the room in the court house where the ballots were kept, had been entered and the ballot boxes of three precincts stolen. Ballot boxes were stolen two years ago, and this repetition stirs up a commotion.
