The foreign immigration into the United States fell off about 30 per cent last year, but it still reached the tidy little total of 450,000 souls-a number eloquently expressive of the poverty that reigns in the crowded countries of the old world. One-third of all these came from Germany, nearly three times as many as from any other country. The fact is significant of the true meaning of Germany's new-born colonial policy. The draft upon the country's energies which this steady exodus is causing is making itself sorely felt. How to turn it to her own advantage is a problem that Bismarck seems to have name implies; a seriously set before himself for solu-

Prominently prevalent among Chronic Diseases is Nervous Debility, the most dangerous, insidious and fatal form of which is the hidden or imperceptible passing away of the vital fluid through the excretions of the body.

Dr. Johannesen has given exclusive attention to such cases, and special courses of his Medicine are being forwarded to all parts of the country daily.

HIS REMEDIES CURE Any Debitity or Derangement of the Nervous System, including Spermatthorea, Gonorrhea, Syphilis, Stricture, Impotency, etc. etc.

Free.—An explanatory circular, descrip-tive of Johannesen's method, to all sufferers addressing
