VISITORS TO PORTLAND

Should not forget to call at Towne's San Should not forget to call at Towne's San Francisco Callery, where may be seen photographs of all the leading men and women of Oregon and Washington Territory. Skillful operators always in attendance, and the most minute attention paid to pictures of children. Don't forget the location, S. W. esener First and Morrison streets, up stairs. No trouble to show specimens to visitors. Street railroads pass the door every ten minutes, and this is the nearest gallery to the five principal hotels.

Cures Dyspepsin, Indigestion, Weakness, Impure Blood, Malaria, Chills and Fevers, and Neuralgia.

It is an unfailing remedy for Diseases of the Kidneys and Liver.

It is invaluable for Diseases peculiar to Women, and all who lead sedentary lives. It does not injure the teeth, cause headache, or produce constitution—other Iron medicines do. It curiches and partites the blood, stimulates the appetite, aids the assimilation of food, relieves Heartburn and Belching, and strengthens the muscles and nerves.

For Intermittent Fevers, Lassitude, Lack of Energy, do., it has no equal.

2 The genuine has above trade mark and rossed red lines on wrapper. Take no other task only by BROWN CHERICAL CO., BALTHORK, BA. G. C. FULTON.

Sade pale by BROWN CHERICAL CO., BALTINGRE, RD REDINGTON, WOODARD & CO., Portland, Or

this country are of French burr, a sillicious rock, containing many small rough cavities, and requiring less preparation than a perfectly plain stone. It is quarried in the geological district known as the Paris basin.'

A young minister said several times, when giving some exposition of a passage: "The critics and commentators do not agree with me here." Next morning a poor woman came to

France. The lower stone has genthe center to allow the material Northern Pacific engineers. stones have to be cut with straight up the stakes on the prairie to force the grain outward toward the tice, and an apprentice must serve river, but was unable to enter that four or five years on cheap stones before he is allowed to touch the most were not a success. It was a hard business to learn, and in its day very profitable. Modern innovations, however, have no sympathy for men, and in ten years it is doubtful if there will be a mill-stone in use in

This is a true statement, and it is mos also true that the decay of natural less teeth has greatly increased among people who do not take good care of their stomachs. When your stomach is out of order, and your digestive powers need toning up, try Brown's Iron Bitters. There are some preparations of iron which injure the teeth, but the doctors testify Brown's Iron Bitters is free from the objection.
