Capt. Whitehill, of Edison, W. T., while shingling, the other day, put his drawing huife down on the seat and went to do something else, and when he returned he sat down on the DR. SANFORD'S LIVER INVIGORATORknife, which cut a wound ten inches long and two inches deep. Dr. J. S. Lewis was called to dress the wound, and put two stitches in it, but later the stitches were broken, and the man, at last accounts, was in a critical condition.

All in the Line of Nature.

There is nothing in the line of magic or mystery about that wonderful and popular medicine, Parker's Tonic. It is simply the best and med scientificombination possible of the essential principles of those vegetable curatives which act powerfully and directly on the stomach, liver, kidneys and blood. But there neither is, nor will be, any successful imitation of it. It is all the time curing those who had despaired of ever getting well. For yourself, your wife and children.
